Missouri Alcoholism Research Center presents

The Third Guze Symposium on Alcoholism

Drinking and the High School Student

Friday, February 28, 2003

Missouri Alcoholism Research Center presents

Guze Symposium on Alcoholism

In Memory of Samuel B. Guze, MD

Samuel B. Guze, MD, was a pioneer in the field of alcoholism research. He joined the Washington University School of Medicine faculty in 1951, served as vice chancellor and president of the Medical Center from 1971 to 1989, and headed the Department of Psychiatry from 1975 to 1989 and again from 1993 to 1997. Dr. Guze was highly respected as a researcher, an administrator and a leader in the field of psychiatry.

Friday, February 28, 2003

Eric P. Newman Education Center

Poster Session: all day Registration and

Continental Breakfast: 8 am – 9 am

Lectures: 9 am – 12:45 pm Lunch: 12:45 pm – 1:45 pm Lectures: 1:45 pm – 4:45 pm Reception: 4:45 pm – 6 pm

About the Symposium

Presenters at the symposium will include local and national experts on research related to high school-age drinking who will discuss their research on such topics as:

- models of adolescent alcohol use and abuse;
- assessment and intervention studies in an emergency department;
- adolescents with ADHD;
- behavioral genetics;
- depression and suicidality;
- consequences and prevention.

A poster session displayed throughout the day will feature the latest findings by Missouri Alcoholism Research Center investigators and others on adolescent and high school-age drinking.

NEW! Meeting Award Opportunities

A limited number of meeting awards are available to NIAAA and other pre- and post-doctoral trainees as well as community-based individuals. The awards are intended to help defray costs associated with attendance at the symposium for those who would otherwise not be able to attend. Awardees will also have an opportunity to present a scientific poster if they wish (it is <u>not</u> a requirement). The application and registration brochure can be accessed from our web site at www.alcoholdependence.org or by e-mailing requests to Guze2003@matlock.wustl.edu. Award applications must be received by January 10, 2003.

Missouri Alcoholism Research Center

The Missouri Alcoholism Research Center (MARC) is one of 15 Alcoholism Research Centers funded by the U.S. National Institutes of Health. MARC is a multisite Alcoholism Research Center, with participating investigators from Missouri's three leading research universities — Washington University (the lead institution), Saint Louis University and the University of Missouri-Columbia and its two additional collaborators, Queensland Institute of Medical Research, Brisbane, Australia, and Palo Alto Veterans Administration, Palo Alto, California. Its research programs include statewide, national and international projects.

Sponsor

This activity is sponsored by Washington University School of Medicine, Continuing Medical Education.

Support

This activity is supported by grant AA013717 from the U.S. National Institute on Alcohol Abuse and Alcoholism and by an unrestricted educational grant from Anheuser-Busch Companies, Inc.

Disclosure Policy

It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any significant financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation.

Accreditation

AMA—Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Washington University designates this educational activity for a maximum of 8.5 hours in category 1 credit toward the AMA Physician's Recognition Award.

Continuing Education Units—The University of Missouri is a member of the University Continuing Education Association. The University of Missouri-Columbia has approved this educational activity for 1.0 CEU for Psychologists and 1.0 CEU in Social Work.

Attendees should claim only those hours of credit actually spent in the educational activity. (Please allow six to eight weeks for processing.)
