The Fourth Annual Guze Symposium on Alcoholism
Alcoholism and the Latest Genetics and Neuroscience Findings

Thursday, February 19, 2004
The Guze Symposium on Alcoholism
Thursday, February 19, 2004

Registration Form

First Name    Middle Initial    Last Name    Degree

Organization        Title

Street Address        City        State        Zip Code

Specialty/Department        Phone        E-Mail

Check or money order payable to: Washington University

Credit card payment:  Card type  Mastercard  Visa  Name on card:

Card number:  _ _ _ _ _ _ _ _ _ _ _ _ _ _ _ _  Exp date:  

Signature and date (if submitted by fax or mail)

Admission Registration
Fee includes continental breakfast, lunch and reception
Registration Category: (Please check only one box)

- General Admission  $100
- Secondary Education Attendee  $50
  (High School: teachers, counselors, etc.)
- Washington University  no charge
  (Students, Staff, Faculty, MARC Collaborators and CAC members)
- I will be applying for a meeting award

Continuing Medical Education Registration
Please check one and add a $36 processing fee (if applicable).

- 8.5 AMA CME hours
- 1.0 CEU for Social Work
- 1.0 CEU for Psychologist
- CEU for Pharmaceutical
- No CEUs requested

Total payment enclosed  $_______

Registration deadline: January 29, 2004

Return registration form and fee(s) to:  Jacki Mallmann
Washington University School of Medicine
40 N. Kingshighway, Suite 3
Campus Box 8134
St. Louis, MO 63108

(314) 286-2258  Fax: (314) 286-2243
e-mail: GuzeSymp@matlock.wustl.edu
or visit www.alcoholdependence.org

Hotel Information
A block of rooms is being held in the name of "The Guze Symposium" at the Chase Park Plaza Hotel, 212-232 N. Kingshighway Blvd.
Please make your reservation on or before January 18, 2004, to receive the special discounted room rate:

$149 — one-bedroom suite

Call toll free at 877-587-2427 or locally at 314-633-3000 or e-mail the hotel at its web site at www.chaseparkplaza.com. The Chase is located in close proximity to the Eric P. Newman Education Center.

Transportation
Taxis are available at St. Louis Lambert Airport (approx. $30 each way; 1/2 hour by car to the Medical Center). MetroLink runs to the Medical Center (approx. $4 round-trip; 15-minute ride). The station is in the airport; detrain at the Central West End stop.

FROM THE AIRPORT
- I-70 east to I-170
- I-170 south to U.S. 40 (I-64)
- U.S. 40 (I-64) east to Kingshighway
- Kingshighway north to Children's Place
- Children's Place east to parking, Euclid and the Eric P. Newman Education Center

FROM DOWNTOWN, ILLINOIS, AND POINTS EAST
- U.S. 40 (I-64) west to Kingshighway
- Kingshighway north to Children's Place
- Children's Place east to parking, Euclid and the Eric P. Newman Education Center

VIA METROLINK
- Board MetroLink at St. Louis Lambert Airport in the East Terminal
- Detrain at the Central West End stop
- Ascend stairs to Euclid
- North (right) on Euclid to the Eric P. Newman Education Center

This is a non-refundable event. Alternates are welcome if original registrant is unable to attend.
In Memory of Samuel B. Guze, MD

Samuel B. Guze, MD, was a pioneer in the field of alcoholism research. He joined the Washington University School of Medicine faculty in 1951, served as vice chancellor and president of the Medical Center from 1971 to 1989, and headed the Department of Psychiatry from 1975 to 1989 and again from 1993 to 1997. Dr. Guze was highly respected as a researcher, an administrator and a leader in the field of psychiatry.

Thursday, February 19, 2004

Eric P. Newman Education Center

Poster Session: all day
Registration and Continental Breakfast: 8 am – 9 am
Lectures: 9 am – noon
Lunch: noon – 1 pm
Lectures: 1 pm – 4 pm
Reception: 4 pm – 5:30 pm

About the Symposium

Presenters at the symposium are local and national experts on research related to genetics and neuroscience findings on alcoholism. The topics will include:
- The complexity of alcoholism as a disease;
- Effects of alcohol on the developing nervous system;
- Behavioral traits related to alcohol problems;
- Craving alcohol: a major underlying factor for alcohol problems;
- Twin studies on alcoholism;
- Progress in identifying alcoholism susceptibility genes.

A poster session displayed throughout the day will feature the latest findings by Midwest Alcoholism Research Center investigators and other contributors.

Meeting Award Opportunities

A limited number of meeting awards are available to NIAAA and other pre- and post-doctoral trainees as well as community-based individuals. The awards are intended to help defray costs associated with attendance at the symposium for those who would otherwise not be able to attend. Award recipients will also have an opportunity to present a scientific poster if they wish (it is not a requirement). The application and registration brochure can be accessed from our web site at www.alcoholdependence.org or by e-mailing requests to GuzeSymp@matlock.wustl.edu. Award applications must be received by December 1, 2003.

Midwest Alcoholism Research Center

The Midwest Alcoholism Research Center (MARC) is one of 15 Alcoholism Research Centers funded by the U.S. National Institutes of Health. MARC is a multisite Alcoholism Research Center, with participating investigators from Missouri’s three leading research universities — Washington University (the lead institution), Saint Louis University and the University of Missouri-Columbia and its two additional collaborators, Queensland Institute of Medical Research, Brisbane, Australia, and Palo Alto Veterans Administration, Palo Alto, California. Its research programs include statewide, national and international projects.

Sponsor

This activity is sponsored by Washington University School of Medicine, Continuing Medical Education.

Support

This activity is supported by grant AA013717 from the U.S. National Institute on Alcohol Abuse and Alcoholism and by an unrestricted educational grant from Anheuser-Busch Companies, Inc.

Disclosure Policy

It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All speakers participating in this activity are expected to disclose to the audience any significant financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation.

Accreditation

AMA—Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Washington University designates this educational activity for a maximum of 8.5 hours in category 1 credit toward the AMA Physician's Recognition Award.

Continuing Education Units—Please refer to the registration form for specific information regarding the CEUs offered. CEUs for psychology and social work are available. In addition, Barnes-Jewish Hospital, Department of Pharmacy has petitioned the Continuing Education Committee of the Missouri Board of Pharmacy to approve this program for 5.5 hours of continuing pharmacist education credit. (If CEUs are to be submitted to a professional organization or to a state or national licensing board, it is important that prior to enrolling for CEUs, participants confirm with the organization that CEUs from the University of Missouri are accepted.) Please allow 6-8 weeks for processing.
