# CLINICAL RESEARCH COORDINATOR ORIENTATION MANUAL

## *Human Research Protection Office*

### *School of Medicine Liaison Group Subcommittee on Coordinator Training*

#### **INSTRUCTIONS**

1. This manual is a guide for orienting/training clinical research coordinators in human subjects research and may be altered to meet specific needs. Optional sign-off columns and evaluation points may also be added or removed along with any additional information that may need to be obtained or added.
  - a. Hyperlinks may be accessed by moving the cursor over the link and pressing “Ctrl”+ double right click on the mouse.
2. Training is ideally done under the direction of a trainer within the department, division, or area.
3. If done alone and additional assistance is needed, you are welcome to contact any of the following individuals/areas:

Office/Area	Name	Contact Information
Allergy/Immunology	Tarisa Mantia	<a href="mailto:tmantia@wustl.edu">tmantia@wustl.edu</a> (314-996-8339 )
Cardiovascular	Kim Striler	<a href="mailto:kstriler@wustl.edu">kstriler@wustl.edu</a> (314-747-4452)
