Beacon Lights of History

“All roads lead to Rome”, cried Cicero. “All except the one leading to Magruder’s” answered Shep Barnes, as he and Mary started out in the direction of the corner.

Napoleon was flying from Elba. “The only reason I hate to go is that I can’t get a rebate on my seven day ticket.” So saying he hastily raised the anchor and sailed away.

Adam and Eve were being driven from the Garden of Eden. “Miss Maginn is death on fussers”, they exclaimed wending their way along the arcade.

“Veni, vidi, vici”, cried Caesar. “Me too”, answered Drue Smalling, as she heard a machine turn into the McMillan drive.

Alexander was sighing for more worlds to conquer. “We great men have our troubles”, sympathized Gene Smith.

A Distinctive Chair
THE IDEAL COLUMBIA

Is one which will increase the charm of your office by reflecting your own character in its selection, and exert a positive influence upon your patients by the good impression it creates in your favor, by its subtle suggestion of beauty, strength, reliability and endurance.

And it is the only dental chair made which will enable an operator to accommodate every class of physically perfect or deformed patients.

This is very important, for a great many patients are exceptionally sensitive about their physical peculiarities, and in gaining their confidence by catering to their wants and needs, you will require a chair which will aid you in the very best way. Such a chair is The Ideal Columbia.

In addition to the highest types of Columbia Chairs and Electric Engines, you can get the furniture and other appliances of first-class manufacturers to complete your equipment, on the most liberal installation terms, through your regular dental depot.
