Ps. 119—I have more understanding than all my teachers.—HELEN BRYARS.
HAVE YOU DETERMINED UPON YOUR LIFE WORK?

My definition of a call is:

Determining with accuracy of judgment what need in society our God-given powers are best adapted to supply.

What is the greatest need of society and what are your qualifications to meet that need?

If you have not decided, see

W. J. FISCHER, General Agent

PROV. 23—And put a knife to thy throat if thou be a man given to appetite.—JOHN WALKER.
GOOD PRINTING
YOUR BEST SALESMAN

Your advertising and printed matter is a better salesman than any man in your employ—IF it is attractive, refined and forceful enough to obtain notice.

There will be no IF to overcome—if you take advantage of our Service Department. It matters not what kind of a job you require, we can give you perfect satisfaction.

Our experts will write your copy, choose the correct type faces and give you the right combination of paper and ink. In other words we are offering you

PRINTING SERVICE

—and our prices are not prohibitive. We make but a small charge for preparing copy. We have one ingredient that is mixed with all our inks—Grey Matter. Let us use some of this on your next job of printing.

Write us your needs—we will do the rest. We can handle your work just as easily if you are in New York as though you were in St. Louis. One of our largest customers is in Baltimore, Md.—We have many others scattered throughout the country.

Afterthought—We are the printers of the 1916 "Hatchet"

Gal. 6—Henceforth let no other man trouble me.—Ruth Zacher.
Like the flag of this Nation, you will find the output of our factory meeting with praise and popularity all over the universe.

When we selected the name COLUMBIA for our product, we established a standard that represented the "top-notch" quality, and it has always been and always will be our constant aim to maintain this degree of excellence.

IDEAL COLUMBIA CHAIR
COLUMBIA ELECTRIC ENGINE
COLUMBIA ELECTRIC LATHE
COLUMBIA AIR COMPRESSOR UNIT

represent equipment of the highest standard. The material, workmanship, adaptability and finish of these articles have brought them worldwide popularity, evidenced by their universal use.

There will be frequent opportunities presented for seeing the above product demonstrated, and we trust that everyone will avail himself of the same.

We shall be pleased to send our catalog upon request.

“Follow the Flag”

The difference between steel and wood construction is spelled in terms of comfort, as well as security. Steel cars are roomier, airier, cleaner, heavier.

The Wabash Banner Limited leaving St. Louis at 1:00 p.m. is solid steel and electric lighted throughout—steel coaches and chair cars, steel observation—parlor car and dining car—it offers a daylight trip of perfect comfort, reaching Chicago at 8:55 p.m.

The Wabash 9:17 p.m. train has solid steel coaches and chair cars, solid steel Club Car (serving evening Luncheon and breakfast) and steel sheeted berth lighted sleeper. It reaches Chicago at 7:00 a.m. Two other fine trains leave at 8:30 a.m. and 11:55 p.m.

Tickets: 8th and Olive Street and Union Station

Endowment Policies

They are issued for a specified term—ten, fifteen or twenty years. The sum insured is payable to the holder of the policy if he survive the selected term. If death occur prior thereto the insurance is payable to the beneficiary. The plan thus combines protection for the insured as well as for his family, since the policy is payable whether the insured lives to the end of the term selected or dies during the period.

The General Says:

"Our Roofing and Building Papers are giving excellent service on all types of buildings in every part of the world. Nothing but the longest life materials go into our best quality Roofing—

Certain-teed Roofing

This is the kind of Roofing used to build up a CERTAIN-TEED Construction roof, a splendid example of which may be seen on the handsome buildings of the new Washington University Medical School.

CERTAIN-TEED Roofing in its various forms is extensively used on high class buildings, residences, factories, warehouses, lighting plants, apartment houses, barns, sheds, etc. It is made in three thicknesses: 1-ply being guaranteed 5 years, 2-ply for ten years, 3-ply for 15 years and this guarantee is backed by the World's largest manufacturer of Roofing and Building Papers.
