VISIT BY FAMOUS THORACIC SURGEON

Dr. Clarence Crawford, professor of surgery at the University of Stockholm in Stockholm, Sweden, was at Barnes Hospital the week of the 8th through the 12th for a visit with Dr. Evarts A. Graham. This is Dr. Crawford's second visit here. His first was in 1939.

He is one of the outstanding surgeons in Europe in the field of thoracic surgery. He conferred with Dr. Graham on the latest developments in chest surgery.

MISS HUEY ELECTED TO OFFICE

MISS GRACE HUEY, Associate Director of Maternity Hospital, has been elected treasurer of the Hospital Council of St. Louis for the coming year.

Miss Huey is a graduate nurse; her alma mater, the Washington University School of Nursing. After graduation in 1938 she became a nurse technician in the Mallinckrodt Institute of Radiology, where she remained until 1941. In September of 1941 she transferred to Barnes Admitting. In 1945 she was appointed Dr. Bradley's assistant of Maternity Hospital.

"HOSPITAL RECORD" BECOMES A MONTHLY EDITION

In order to have a bigger and better newspaper with a regular reporting staff, the HOSPITAL RECORD will go on a monthly basis. The Editor would greatly welcome any suggestions or volunteers for the paper. This is the employees' paper, and their support is what will make it a success. The publication date will be the 21st of each month.

DRUG STORE HISTORY

A remark from one of the employees influenced the following dissertation: "Did you know that the Barnes drug store has one of the largest magazine distributions in St. Louis?"

MRS. LUCILLE BRADLEY, department head, tells us that the best sellers speak well for the hospital personnel and patients. It seems that the cheap magazines are not popular. LIFE Magazine is by far the tops in sales.

The drug store opened for the first time on December 7, 1913. The pharmacy division was originally located in the basement. At that time the chief use for the pharmacy was to supply drugs for hospital patients and out patients from the Clinics. Hours for business were from 8 a.m. to 5 p.m.

Eight years ago the pharmacy moved upstairs so that there was greater accessibility to the staff, employees and private out patients in addition to the hospital patients and clinic out patients. With the new arrangement, the drug service increases from 9 to 15 hours (including Sundays and holidays).

The drug store is conducted for out patients, their friends and relatives, and our staff and personnel, and no attempt is made to attract outside business. The charges do not fall below the minimum retail price charged outside the hospital.

She has no secret ambition, and is a very contented person. She has her own brand of philosophy, which is, "At my age, nothing much to do, and not much to say about myself."

DRUG STORE HISTORY (cont.)

so that we will not be in competition with commercial drug stores.

ON THE SCENE

The Housekeeping Department announces that there is a new waiting room on 2234. If you have any waiting time, take a gander at this recent addition with the grand new furniture.

The Heart Station staff will go wild (quote) Wednesday the 23rd during their evening outing on the Big River. Although on vacation, MISS EDWARDS, head technician, will be present. This will be the last fling until ANN PANNELL, who is entering the hospital on the 28th returns to work. Speedy recovery, ANN.

This summer brought to the Barnes Group many brand new floor secretaries and attendants. Among the bunch, a pair of beautiful twins was discovered, JOANNE and JEANNE CATES.

Eighty new beds with the 'crank up' device were bought by Barnes last week. They will be distributed in the various wards. Barnes has never used this type of bed in the wards.

The Clinic Record Room also has a lot of new faces. Orientation processes have been in full force along with regular production.

RAY FLINT, assistant in the Maintenance Department, and Lt. Commander in the Navy, is resuming naval training in (contd)

ON THE SCENE (contd)

California while on vacation.

The F. R. BRADLEY'S decided that the dietitians needed a vacation from meal planning, so they invited them to a picnic at the Bradley home last Thursday with no work involved.

WEDDING BELLS

June brides continue to be plentiful --

Miss PHYLLIS HUNGER, delivery room nurse, will become the bride of David Holmes, a W. U. Medical student June 20th.

FLORENCE CHERIKOS, Credit, has a sparkler on the 3rd finger left hand that throws a good sized beam across the lobby.

LAVERNE ELSON, McM, nurse, is being married soon to PAUL MOHR, orderly on 300 McM.

LOUISA GALE, nursing supervisor in the Clinics, will be leaving June 30th to be married.

LEILA McCRAY, pharmacy, was married to Roger Echols, a waiter at the Mayfair Hotel, on June 14th.

Any employees who are interested in joining a class in dancing instruction at the Fred Astaire Dancing Studio, contact Miss Schwarz in Personnel.

There must be at least 10 persons interested in forming a class. The cost for 10 is $1.50 an hour per person. For a class of twenty, the charge is $1.00 an hour. Who knows Fred Astaire may have some stiff competition.

Miss Elaine Tennyson is still offering the free Luzier's Demonstration for cosmetics. The Place --- in Barnes Beauty shop. No charge for this personalized facial.
