The purpose of the Stump Debating Society, a member of the national association of debating societies, Kappa Phi Sigma, is to develop the art of public speaking among the students of Washington University. Meetings are held every two weeks, the programs being made up of debates and speeches on current events.

The Student Volunteer Movement had its beginning thirty-seven years ago when a group of college students declared it their purpose to serve on foreign mission fields. Today similar groups of students may be found in almost every college and university in North America. Because of this movement, already ten thousand men and women have sailed to other lands, taking Christianity to those who want its message.

Washington University has an active group of twenty-four volunteers.

Correlate is the governing board of the Martha Washington Association, an organization of all women on the campus. The purpose of the association is to extend to each woman in the university an unlimited opportunity to enjoy to the fullest extent her college life, realizing the need of participation in activities as essential to a well-rounded college career.
