MARTHA WASHINGTON ASSOCIATION
CONSTITUTION

I. The Name of the Chapter System of Washington University shall be The Martha Washington Association.

II. The Purpose of the Association shall be to give every girl an unlimited opportunity to enjoy to the fullest her college life. Enjoyment to the fullest is understood to mean that enjoyment which comes from giving to and taking from any phases of campus activity which a girl shall deem pleasurable and worth while.

III. The Martha Washington Association shall be composed of all Greek and Roman social or friendship organizations of the women of the University, the number of each depending upon the need and desire of the girls.

IV. Each Chapter shall be composed, preferably, of not less than fifteen and not more than thirty girls.

V. Each Chapter shall be considered equal in power and influence on the campus so far as any measure of the governing body is concerned; the only difference in these two attributes being dependent upon the character and disposition of the Chapter.

VI. A fundamental difference between the Greek and Roman Chapters, is one of membership. Girls are received into the former through request on the part of the Chapter, and into the latter not only through request on the part of the Chapter, but through request on the part of any girl desiring to become a member of a Chapter.

VII. A second fundamental difference between the Greek and Roman Chapters, is one of recognition. The former are recognized by the Corporation of the University, and are granted a Charter by a National organization; the latter are recognized by the Martha Washington Association (which, as a whole, is recognized by the Corporation of the University) and are granted a Charter by The Correlate.

VIII. The governing body of the Martha Washington Association shall be called The Correlate.

IX. The Correlate shall be composed of one representative from each Greek and Roman Chapter.

X. The primary purpose of The Correlate shall be to see that every unorganized girl on the campus has an opportunity to belong to one of the Chapters.

AMENDMENTS

I. The primary purpose of The Correlate shall be to discuss and pass resolutions upon any campus problems or campus activities that concern the girls of the University.
