BARNES WHIPS CITY HOSPITAL; RED-HOT ADMINISTRATION TEAM REMAINS UNDEFEATED!

Barnes Hospital launched out to challenge other hospital softball teams and on June 2, subdued City Hospital by a score of 6 to 4. Playing under the Barnes flag was the Surgical Team. City, smarting under the defeat, asked for a return game which is scheduled for sometime in the near future.

Stretching its winning streak to five in a row, Administration maintained its undisputed leadership in the Barnes League by cramming a 7 to 3 defeat down Medicine's throat. Starting its new pitcher, CHILTON (JSB), and backed by good fielding, the Administration team was at no time in danger of having its lead challenged by Medicine.

The course of study included laboratory work as well as lectures and also featured trips to Sparrow Hospital, St. Lawrence Hospital, and the University Hospitals at Ann Arbor. Mrs. Rushing reports that the best but most difficult class was that in Practical Speaking. Other courses included: Philosophy of Hospital Care and Institutional Organization; Personnel Management; Job Analysis; Housekeeping Supplies, Equipment, and Procedure; Linens, Furnishings and Decorations; Bacteriology; Fire Prevention and Safety; and Employee Training and General Cleaning.

Barnes where he has been ever taking a personal interest in Administration softball team, at his disposal! And so if you And even though he was a "square" solutions, there were more applications for work in the laundry. Mr. Krasner came to In 1945, Mr. Krasner and his wife, Mrs. Krasner, cracked a rib in the game with the worker as an individual is shown to have a very low rate of turnover in the laundry. His constant experiments with new techniques have paid off with increased volume of production. "I'm a bug for statistics," he grinned when he offered recorded proof of the increased volume.

Mr. Krasner and his wife, Mae, are the parents of a nine-year-old boy named Jerry and a three-and-a-half-year-old girl named Carol. He is strictly a "meat, meat, and potato" man, and it is said of him that he is a "touch on onion, and loves pastries." He is a member of the Administration softball team, and also plays softball for the Many and "y" Leagues. He has all kinds of lauderin hints at his disposal; and so if you want to know how to get an ink spot out of your best outfit, Mr. Krasner is your man! One of the nice things about working in Barnes, he says, is that when people ask his little boy where his daddy is, Jerry no longer has to answer, "He's in the prison now!"

And then there was the boy who murdered his father and mother and pleaded for mercy on the grounds that he was an orphan! The minister had preached a very long sermon, and at the end he made this announcement: Parson Brown. "We will now have a few words of prayer. Deacon Jones, will you lead?"

Deacon Jones: (Rousing himself sleepily from a map) "Tain't my lead - I just dealt!"

ON THE SCENE

We were sorry to hear that Olga Oyler, floor lady in the Laundry, has been a patient in the hospital—Leon Rogers, Accounting, was the first casualty on the super Administration softball team. He was hit in the game with OB-GYN. (Confidentially, Leon prophesies that the Administration team will go through the whole season undefeated!)—Janice Lybey, Record Room, was thrilled recently when Dr. Allen Holt, as representative for the Private Medical Interns, presented her with a beautiful compact in appreciation for the work she has done. Dr. Holt was Private Medical Director during the past year.—Has anyone noticed the glamorous new gold-trimmed glasses being worn by both Ruth Rulkoetter and Ann Campbell over in Maternity?—Kathy Eaton, Beauty Shop, is making plans to spend her vacation in Colorado the end of this month. She recently gave a beauty culture nurse, who is staying at Barnes, a lecture to two girls.
