From the editor:

Please accept our apologies for the tardiness of the March issue of 216. The 216 is printed in the Hospital Print Shop. It is then sent out to a bindery before going to the mailing house. Unfortunately the binderies in the St. Louis area have been on strike since March thus delaying delivery of your issue.
A new machine at the Hospital marks a medical milestone in the study of bone disease. A result of years of intensive research, the bone mineral analyzer will provide a sensitive, reproducible, accurate method for measuring bone content. See cover story.

Wallace Ruwitch, Harry Schukar
Join Hospital Board of Directors

Two new members were named to the Board of Directors of the Hospital at the Board's January 20 meeting. They are Wallace R. Ruwitch and Harry T. Schukar.

Mr. Ruwitch is a Vice-President of Alvey, Inc. He also serves as a member of the Board of Directors of the Jewish Family and Children's Service, the Jewish Community Centers Association, and the Older Adult Community Action Program.

Mr. Ruwitch, a graduate of Yale University, is married and the father of two children.

Mr. Schukar is Secretary and Treasurer of ABKO, Inc., and presently is involved in a number of civic duties. He is a member of the Board of Directors of the Jewish Federation of St. Louis, is on the Speakers Bureau of the United Fund of Greater St. Louis, the Board of Directors of the Jewish Community Centers Association, the Board of Directors of the St. Louis Jewish Light, the Board of Directors of the United Hebrew Temple, and the Board of Directors of the Associates of the Hospital. He also serves as Treasurer of the Jewish Light.

Mr. Schukar, a graduate of Washington University, is married and the father of three children.

At the same meeting of the Board of Directors of the Hospital, Mr. Edward F. Schweich and Mrs. Harry Milton were elevated to Senior Member status and Marvin Breen, a member of the Leadership Development Council of the Jewish Federation of St. Louis, was named as an observer to the Board of Directors. Mr. Breen is Vice President of Merrill, Lynch, Pierce, Fenner and Smith.

David A. Gee, administrator of the Hospital, has been named Executive Vice President of the Board of Directors.

DONALD J. BACKER
SELECTED DIRECTOR
EMPLOYEE RELATIONS

Introducing... Donald J. Backer, our new Director of Employee Relations. This is the position which was previously known as Personnel Director. Now Employee Relations has been broadened to include more responsibilities and play a greater role in policy-making and organization.

Mr. Backer and his team will concentrate on seeking the most effective solutions to any employee problems which might arise. It is hoped that renewed emphasis in this area will increase employee awareness and promote a more involved employee-employer relationship.

Mr. Backer comes to Jewish Hospital with 15 years experience in Personnel Industrial Relations. Most recently he worked for General Steel Industries, Granite City, Illinois, as Manager of Industrial Relations. Prior to that he was Manager of Industrial Relations at Granite City Steel for eight years.
Bone Mineral Analyzer First in the Area

A fractured bone is well visualized by x-ray and when set, usually heals without incident. Generalized bone disease due to hormone imbalance or cortisone treatment is, by comparison, often a difficult diagnosis to make. In addition, once the diagnosis is made, the bone disease is often irreversible.

Osteoporosis, the most common of all bone diseases, is characterized by a loss of bone tissue which normally attends the aging process. This disease is responsible for atrophy of the vertebral spine of approximately 15 million women in the United States today. It is also responsible for approximately one million of the fractures experienced by women 45 years or older.

Although the cause of this disease is still unknown, it most probably results from a combination of factors. These include inheritance patterns, ovarian function, sex, exercise and fluoride content of the drinking water. Well accepted x-ray criteria for the x-ray diagnosis of osteoporosis are a decrease in spinal density and the presence of spinal or leg fractures.

The normal loss of bone with advancing years is subtle. Even though man loses 10 per cent of his bone for every decade after the age of 30, early changes in bone content are difficult to determine. This stems from the fact that the ordinary x-ray is relatively insensitive and reveals changes only when 30 to 50 per cent of the bone has already been lost. Since it is almost impossible to cure osteoporosis in its advanced stages, it has become one of the most crippling bone disorders associated with advancing age.

Since 1963, investigators, like Dr. Louis V. Avioli, Shoenberg Professor of Medicine at Washington University and Director of Endocrinology at Jewish Hospital, have been experimenting with a technique which, if perfected, would allow earlier detection of small changes in bone content. This knowledge would not only allow physicians to detect bone disease sooner, but would lead to early treatment before the bone disorder had advanced to the critical, irreversible stage.

This painstaking research has culminated in a new instrument — the Norland Bone Analyzer — which has recently been installed here at Jewish Hospital. The first of its kind in this area, this bone mineral analyzer renders an extremely sensitive, reproducible and accurate method for measuring small changes in skeletal density or bone content. Those very changes which, if untreated, could ultimately lead to spinal collapse and bone fractures.

It is anticipated that this technique will serve as a valuable asset to both practicing physician and clinical investigator in studying the natural progression of osteoporosis and other demineralizing bone disease. More significantly, this machine will yield an accurate evaluation of the response to treatment for the first time.

The bone mineral analyzer will be permanently stationed in the Department of Radiology. There it will serve the practicing physician as a routine testing device as well as the clinical investigator in his continuing search for answers to the varied problems of bone disease.
A regular feature in the Jewish Light in recent editions has been a column by members of the Medical Staff at the Hospital, which discusses current medical problems, solutions and research.

Two recent stories dealt with Hodgkin’s Disease, by Dr. Daniel Rosenblum, and Abnormal Clot Formation, by Dr. Laurence Sherman.

Dr. Sherman’s article, which discussed abnormal clot formation, noted that “In the United States the most frequent occurring group of illnesses is that which involves obstruction of blood vessels with resultant injury to vital organs. Of equal significance is the fact that the incidence of these disorders appears to be increasing.”

There are two basic causes of these disorders, noted Dr. Sherman, including “diseases of the blood vessel wall, and abnormalities in the blood itself leading to clot or thrombus formation.”

While the first category, which includes such diseases as arteriosclerosis, which is “a malignant affliction of lymph nodes,” are slowly being unraveled.

“Factors which of necessity retard progress,” according to Dr. Rosenblum, “are the relative rarity of the disease (an estimated 6,000 new cases in the United States per year), the numerous variables which must be evaluated, and the months and years after treatment during which patients must be observed before evaluations can reasonably be considered complete. Meanwhile, lessons learned in Hodgkin’s Disease are being applied to other malignancies as well, sometimes resulting in significant improvement over previous modes of treatment.”

The disease is an unusual one, in that unlike many types of cancer it has no readily defined malignant cell. “Efforts to identify a responsible infectious agent or to discover convincing evidence of contagion or heritability in its spread have been unsuccessful.

“The improvement in the management of patients with Hodgkin’s Disease,” Dr. Rosenblum ends with an optimistic note, “has been dramatic for the patients and physicians involved and represents a small but significant forward step in the effective management of human cancer.”
The Glory that was Greece and the Grandeur that was Rome came alive for a few brief hours January 22, when the third celebrated Clover Ball took place in the Khorassan Room of the Chase Park-Plaza Hotel.

The theme of classic antiquity, which began with the stately Ionian columns and ran through the decorative centerpieces atop each table, helped make the Ball another smashing success.

Held once every five years, the 1972 Clover Ball raised over $120,000 for the new Observation Unit in the remodeled Emergency Room at the Hospital.

Mr. and Mrs. Charles H. Yalem underwrote all expenses for the evening, allowing all money raised by the Ball to be donated to the Hospital.
That theme of classic antiquity will come alive this spring, or perhaps next fall, for the lucky winner of the Clover Surprise. Mr. Sam L. Demoff was the winner of the trip for two to Rome and Athens. Mr. Demoff’s two-week excursion, which he may take in either the spring or fall of 1972, includes a week at the Hotel Hassler in Rome, and another week at the Hotel Grand Bretagne in Athens. Limousine service to and from the airport with an American Express representative is included in the prize, as are 14 nights of gourmet dining.

The fabulous trip has been donated by the Clayton Bank. Trans World Airlines is providing the domestic air travel.

Over 1,000 tickets were sold for the 1972 Clover Ball, and the large crowd obviously enjoyed the music of Lester Lanin and his Orchestra. Lanin’s music helped set the pace for the evening, varying lighter tunes with the more elegant to provide dance and dinner music to suit all those in attendance.

The success of the 1972 Clover Ball is due primarily to the hard work and dedication of the Clover Ball Committee Members.

Mr. and Mrs. Charles H. Yalem receive a hearty round of applause for underwriting expenses for the Ball.

Mr. and Mrs. Roswell Messing Jr.

Seated from left, Mrs. Carlyn H. Wohl, Mr. and Mrs. Harry Milton, Mrs. Henry Kendall
Mrs. Ralph Lowenbaum III and Mrs. Milton Jasper arranged the Seating, with Mrs. Donald J. Dickler handling the work on the Telephone.

Mrs. David A. Gee was Secretary, Mrs. Leonard M. Buckstein was in charge of Invitations, and Mrs. Joseph Berger handled Addressing/Mailing.

Mrs. Al S. Loeb did an outstanding job on the beautiful Souvenir Program, and Mrs. Earl Susman picked out the Souvenir Selections. Mrs. Kenneth Marshall then handled the Souvenir Wrap.

Souvenir Delivery was under the guidance of Mrs. Harry Lesser, Jr., and the Printing was taken care of by Mrs. Robert Levinsohn.

Mrs. Joseph F. Ruwitch served as Chairman for the Ball Committee, with Mrs. Norman W. Drey, Mrs. Irving M. Goldstein, and Mrs. Edwin G. Shifrin serving as co-chairmen.

Patrons were handled by Mrs. Ben H. Senturia and Mrs. Charles H. Yalem, with Guest Lists under the guidance of Mrs. Roswell Messing, Jr., and Mrs. Al Serkes.

The Men’s Advisory Committee was composed of Mr. Courtney A. Gould, and Mr. N. Robert Wegusen. Mrs. Charles J. Steiner handled the Reservations.
Decorations for the Ball were handled by Mrs. Ruby Cohn and Mrs. Marvin W. Goodman (Room Decor) and Mrs. Samuel Lerman (Table Decorations). The Table Souvenirs were handled by Mrs. Frank P. Wolff.

St. Louis County Supervisor and Mrs. Lawrence K. Roos

Mr. Lester Lanin, Mr. Thomas Igoe, Clayton Bank President, and Mr. Sam Demoff, winner of the trip for two to Rome and Athens.

The Clover Surprises were handled by Mrs. Kenneth Poslosky and Mrs. Edwin Levis, Jr., with the Cocktail/Dinner Hour under the watchful eye of Mrs. S. Charles Baer and Mrs. Richman Bry.

Cigars/Cigarettes were handled by Mrs. Willard L. Levy and Hostesses were under the guidance of Mrs. Richard S. Sisson.

Coordinator of Orchestra/Arrangements was Mrs. Arthur Scharff, Jr., and the Publicity for the Ball was handled by Mrs. Lester Seasongood and Mrs. Jerome M. Greenblatt. The Treasurer for the Ball was Mrs. Harris J. Frank.

The Steering Committee was composed of Mrs. M. Erwin Bry, Jr., Mrs. Stanley M. Cohen, Mrs. Robert Hausfater, Mrs. Harry W. Loeb, Mrs. Donald Quicksilver, Mrs. Edward F. Schweich, and Mrs. Sydney Shoenberg, Jr.

Dr. and Mrs. Burton Shatz

Dr. and Mrs. Alfred Goldman
Volunteers Honored at Annual Tea

The Hospital recently honored its dedicated Volunteers at the 1972 Volunteer Awards Tea held at the Moses Shoenberg Memorial School of Nursing. More than an award presentation, the tea serves as a gesture of appreciation to all those volunteers who care enough to do their very best... through devoting their precious time and services to aid the Hospital staff as well as the patients.

Special recognition was given to those Volunteers who have contributed the most accumulative hours – Mrs. Alfred Goldman, 31,888 hours; Mrs. Ben Samuels, 16,054 hours; Mrs. Morris Sachar, 9,430 hours.

David A. Gee, Executive Vice President of the Hospital, welcomed the group and turned the program over to Miss Marguerite Odell, Volunteer Director, who narrated a special slide presentation showing various volunteers working diligently at their posts.

Concluding the program, Mr. Gee presented Gold Charm awards to the following volunteers who contributed 500 hours from September 1970 through September 1971: Mrs. Rolf Buchdahl, Mrs. Robert Feilich, Miss Rose Feldman, Mrs. Sidney Frager, Miss Irene Genard, Mrs. Morris Greenberg, Mrs. Sidney Lite, Miss Ann Melman, Mrs. Jerry Nissenbaum, Mrs. Alma Paulich, Mr. Sol Reimann, Mr. Roger Scherck, Mrs. Herbert Scheiber, Mrs. Elwin R. Smith, Mrs. Nedene Warnecke, Mrs. John Williams and Mrs. Jess Stern.

An array of assorted refreshments were served preceding the 1972 Volunteer Awards program in February.

Volunteer award winner, Mrs. Sidney Frager, receives her Gold Charm from Executive Vice President David A. Gee. At right, Marguerite Odell, Volunteer Director.
Two years of hard work and dedication culminated in a beautiful ceremony at the United Hebrew Temple in early January for 83 student nurses from the Hospital.

As if mindful of the occasion, a warm, sunny day graced the area for the Graduation exercises of the 83 young nurses. The 3 p.m. ceremonies, which were presided over by David A. Gee, Executive Vice-President of the Hospital, featured Samuel Guze, M.D., Dean of the Washington University Medical School and Associate Chancellor of Washington University, as the main speaker.

The class address was delivered by Miss Barbara Jean Hartmann, daughter of Mr. and Mrs. Arthur Louis Hartmann of St. Louis.

Miss Margaret Loh, R.N., Director of the Department of Nursing at the Hospital, presented the members of the 1972 graduating class to Edward B. Greensfelder, President of the Hospital, who awarded the diplomas.

The two top scholarships were awarded to Miss Nancy Doherty and Mrs. Patricia Pleskot Drake. Miss Doherty, daughter of Mrs. James W. Doherty, was awarded the $1,000 Auxiliary Scholarship, given annually to the graduating senior who ranks first in her class. Mrs. Drake, daughter of Mrs. Earlene White of St. Louis, was awarded the $500 Hattie Waldheim Scholarship, presented to the second highest ranking student in the graduating class.
Miss Sally Ragin, daughter of Mr. and Mrs. Eli Ragin from Olivette, and Miss Linda Gass, daughter of Mr. and Mrs. James Gass from Florissant, both received the Franc Award for Outstanding Scholastic Achievement during their first year in school. The Award, a $100 bond and a Gold Key, is given to the top-ranked student in the Freshman class. The two students tied for the honor.

Miss Doherty, winner of the Auxiliary Scholarship, also received the $25 Franc Award for her selection as the student who best showed outstanding kindness and consideration to patients. Miss Deborah Jan Johnson, daughter of Mr. and Mrs. M. L. Johnson of Ellisville, Missouri, received the $25 Franc Award as the student who exhibited outstanding interest and participation in student activities.

Mrs. Harry L. Franc, Jr., presented the Franc Honor Awards.

GRADUATE SCHOLARSHIPS AWARDED

During the ceremonies, scholarships were awarded to 11 graduate nurses of the Hospital as a means to help further their educations and advance the nursing profession through graduate study.

The Jewish Hospital Auxiliary honored Miss Joanne Gillig, Assistant Head Nurse, Surgical Intensive Care Unit; Miss Mary Lou Young, Instructor in the School of Nursing, and Miss Suellen Keller, Head Nurse on 3 Steinberg, as the recipients of the Auxiliary's Life Membership Scholarships, awarded to graduate nurses to help further their educations. The Auxiliary scholarships are made available through the income received from Life Memberships. Started in 1968, the Life Membership Endowment Scholarship Fund provides three scholarships each year for graduate nurses.

The Elsie Probstein Scholarship, given annually by Jacob Probstein, M.D., and his children to a graduate nurse for the purpose of furthering her education in surgical nursing, was awarded to Mrs. Betty Danzie, R.N., Head Nurse of 2 Center at the Hospital.

Miss Carol Singleton, R.N., a nurse on 5 Center, was awarded the Lillie E. Green Scholarship, also awarded annually through the efforts of Dr. Probstein.

The Leo C. Fuller Scholarship was awarded to Mrs. Willa Jean Nelson, R.N., Evening Supervisor at the Hospital, and the Sam and Jeannette Koplar Scholarship was awarded to Miss Mary Lou Young, Instructor; Miss Suellen Keller, Head Nurse. Back row, Mrs. Willa Nelson, Supervisor; Miss Susan Graves, Instructor; Miss Mary Lou Young, Instructor; Miss Linda Woehrle, Staff Nurse.

GRADUATE SCHOLARSHIPS AWARDED

During the ceremonies, scholarships were awarded to 11 graduate nurses of the Hospital as a means to help further their educations and advance the nursing profession through graduate study.

The Jewish Hospital Auxiliary honored Miss Joanne Gillig, Assistant Head Nurse, Surgical Intensive Care Unit; Miss Mary Lou Young, Instructor in the School of Nursing, and Miss Suellen Keller, Head Nurse on 3 Steinberg, as the recipients of the Auxiliary's Life Membership Scholarships, awarded to graduate nurses to help further their educations. The Auxiliary scholarships are made available through the income received from Life Memberships. Started in 1968, the Life Membership Endowment Scholarship Fund provides three scholarships each year for graduate nurses.

The Elsie Probstein Scholarship, given annually by Jacob Probstein, M.D., and his children to a graduate nurse for the purpose of furthering her education in surgical nursing, was awarded to Mrs. Betty Danzie, R.N., Head Nurse of 2 Center at the Hospital.

Miss Carol Singleton, R.N., a nurse on 5 Center, was awarded the Lillie E. Green Scholarship, also awarded annually through the efforts of Dr. Probstein.

The Leo C. Fuller Scholarship was awarded to Mrs. Willa Jean Nelson, R.N., Evening Supervisor at the Hospital, and the Sam and Jeannette Koplar Scholarship was awarded to Mrs. Emily Lazarus, R.N., Assistant Head Nurse on 4 Steinberg. The Koplar Scholarship was established by the late Mrs. Sam Koplar.

The Freida H. Leonson Scholarship was awarded to Mrs. Kelly Bullerdieck, R.N., Assistant Head Nurse on 3 Steinberg. The Leonson Scholarship was established by the last Mr. Leon Leonson in honor of his wife.

Miss Susan Graves, an Instructor at the School of Nursing, was awarded the Helen A. Salomon Scholarship. The Barney Fisher Scholarship, established by Mrs. Goldie Fishman in memory of her son, was awarded to Miss Linda Woehrle, R.N., 3 Steinberg.

Mrs. Brenda Ernst, Assistant Director of Nursing, Department of Long Term Care and Rehabilitation, was awarded the Clara Monheimer London Scholarship.

The following is a list of the 1972 Graduating Class:

Miss Jenny Lea Abromovich, St. Louis; Miss Rebecca Ann Baille, Benton, Ill.; Miss Diane Barlizaro, Collinsville, Ill.; Miss Linda Bauer, St. Louis; Miss Carolyn Behlmann, Florissant, Mo.; Mrs. Janet A. Bohanan Cracchiola, St. Louis; Miss Mary Ann Brasier, St. Louis.
Warm congratulations for Nancy Doherty, winner of the $1,000 Auxiliary Scholarship given to the highest ranking graduating senior.
Hospital Team

Visits Appalachia

In 1970, the Southeastern Kentucky Regional Health Demonstration, Inc., selected a team of home health care specialists from Jewish Hospital to evaluate their home health care programming and development in a 16-county area in the Appalachian region of southeastern Kentucky.

This team was designated as PREP (Program Review and Evaluation Panel). Two trips were made to the area, one in 1970 and the most recent in the fall of 1971. A total of 15 Home Health Agencies were reviewed by this team.

On the second visit to Appalachia, the team members included Aaron Birenbaum, M.D., Director, Division of Home Care, Department of Long Term Care; Susan Parker, R.N., Nurse Coordinator, Division of Home Care, Department of Long Term Care; Herman Litwack, ACSW, Chief Social Worker, Division of Home Care, Department of Long Term Care; Beverly Monical, R.P.T.; Stanley Kantanie, Administrative Resident, and Margaret Asriel, R.N., M.P.H., Kentucky Department of Health.

The team had specific tasks...to develop and review quality standards for the home care component...to develop methods of program evaluation...to evaluate the regional program data...to review the quality and extent of involvement of third party payers...to report to and advise the Board of Directors of the Regional Demonstration Corporation.

Those who participated in this evaluation agreed that the health professionals observed at these agencies were examples of the health profession in the truest sense. They were working there by choice when the majority could be elsewhere earning higher salaries with better working conditions. They have all chosen, however, to work in this Appalachian area. As was noted

by Dr. Birenbaum, “The concern with which the staff of the Kentucky agencies treated the medically indigent was much greater than in most states. The dedication and devotion of the people working there was very impressive.”

Associates Sponsor

In February the Associates sponsored an open meeting on Venereal Disease featuring a panel of three prominent speakers — Dr. William C. Banton II, St. Louis Health Commissioner, Dr. Marvin Rennard, Assistant Director of the Department of Obstetrics and Gynecology at the Hospital, and Robert Simpson, Executive Director of the Social Health Association of Greater St. Louis.

“‘This is indeed a real epidemic,’” Dr. Banton states, speaking of the increasingly widespread incidences of syphilis and gonorrhea. A 1970 survey shows 600,000 cases of gonorrhea and infectious syphilis... reported cases in the United States.

The case rate of gonorrhea has doubled in St. Louis and tripled in the County. Dr. Banton states three main reasons for the rise... a permissive sexual society, lack of fear of unwanted pregnancy and less fear of disease due to effective cure.

Dr. Rennard dealt with facts and symptoms of the diseases, and detection devices for them.

VD Discussion

Mr. Simpson explained the new VD HotLine program initiated in October by the Social Health Association. It is strictly an educational means to provide accurate, basic facts to the public. They’ve been receiving an average of 20 calls a day. All volunteers at the switchboard have received professional instruction.

All three panelists agreed the most effective means to combat the venereal disease epidemic is through health education... at home, in schools and colleges, through the media.

A recent Missouri law was passed under which teenagers who believe they may have been exposed may seek treatment at a clinic or from a private physician without parental permission or knowledge. It is hoped this will encourage timely treatment of venereal disease.

Simon Fund

Receives Gifts

The Ira and Herbert Simon Memorial Research Fund which was established at the Hospital in 1960 by members of the Simon family, recently received gifts amounting to $45,000 from Mrs. Ira Simon, Mrs. Herbert Simon and Julian Simon.

The endowment now totals $285,000, making it one of the largest research funds at the Hospital. The annual earned income is spent to support major research activities in medicine and surgery.
**NEW MEDICAL STAFF NEWS**

**H. William Scott, Probstein Professor**

H. William Scott Jr., M.D., will present the annual J. G. Probstein Visiting Professor of Surgery lectures on March 24 and 25. Dr. Scott is Professor and Chairman of the Department of Surgery at the Vanderbilt University School of Medicine, Nashville, Tennessee. He will speak on “Experimental Atherosclerosis and Distal Intestinal Bypass” and “Surgical Management of Cushing’s Syndrome”.

The Probstein Visiting Professorship was established by the Leonson Foundation in honor of J. G. Probstein, M.D., Consultant in Surgery at the Hospital and former Surgeon-in-Chief.

**New Co-Directors For Ob-Gyn**

After 15 years as Director of the Department of Obstetrics and Gynecology, Dr. David Rothman has resigned. The Board of Directors has appointed Samuel D. Soule, M.D., and Robert Burstein, M.D., Co-Directors of the department. Dr. Soule is Professor of Clinical Obstetrics and Gynecology at Washington University School of Medicine, and Dr. Burstein is Assistant Professor.

Harvey Walker Jr., M.D., Ph.D., has authored a paper titled “Michael Somogyi, Ph.D. (1883-1971)” for the South African Medical Journal. He also spoke to diabeticians of Food Service Management Inc. at the Missouri Baptist Hospital on “What Every Dietician Always Wanted to Find Out From the Doctor” (“But Was Afraid to Ask”). Dr. Walker has recently been named Medical Director for Delmar Gardens West Retirement Center.

Jack Hartstein, M.D., had two books published in 1971, 'Review of Refraction' and 'Current Concepts in Dyslexia'. Dr. Hartstein will be a permanent panelist on a Dyslexia Symposium at the Pan American Ophthalmological Congress in Houston in April. He recently presented two one-hour papers on Soft Contact Lenses at the Florida Midwinter Seminar in Miami. Dr. Hartstein is co-editor in chief of the Contact Lenses Medical Bulletin. He has been invited to a one day symposium on Soft Contact Lenses in London scheduled for May.

Jacob G. Probstein, M.D., spoke to the Southwestern Surgical Congress in Las Vegas on “Treatment of Injuries to Players Taking Place During a Hockey Game”.

Melvin M. Schwartz, M.D., president of the Social Health Association, spoke on Venereal Disease and Sex Education at Parkway Central High School as part of their Communications Day Program.

Jerome J. Gilden, M.D., attended the American Academy of Orthopedic Surgeons Annual Scientific Meeting in Washington, D.C. In March he will chair a panel at the meeting of the St. Louis Rheumatism Society.

Sidney Goldenberg, M.D., attended the American Diabetes Association convention in Miami. The theme was “New Concepts in Diabetes Mellitus”.

Ronald J. Krone, M.D., has co-authored a paper for Chest titled “The Effects of Cigarette Smoking at Rest and During Exercise”.

Carlos A. Perez, M.D., recently spoke at Deaconess Hospital on Radiation Therapy in the Management of Carcinoma of the Cervix. He spoke on the same topic to the American College of Surgeons at the Chase Park-Plaza Hotel.
Denmark’s Dr. Secher to Visit

Dr. Ole Secher will be the second Danish physician to visit Jewish Hospital through the provisions of a Medical Staff program initiated in 1966. Dr. Secher, Professor and Chairman of the Department of Anesthesia at Rigshospitalet, Copenhagen, Denmark, will be in St. Louis April 9-15.

The program was conceived as a tribute to those Danish physicians who were instrumental in saving Jews during the Nazi occupation of Denmark. Donations by its members enable the Medical Staff to offer some of these same distinguished physicians an opportunity to visit the United States.

It was Dr. Secher, a medical student at the time, who alerted Dr. Karl Køster to the plight of the Jews and instigated the escape plan. Dr. Køster was the guest of the Medical Staff in 1966. He and other members of the staff at Bispebjerg Hospital in Copenhagen were directly responsible for the rescue of more than 2,000 Jewish citizens during the war. At great personal risk, they hid, medically aided and arranged for Danish Jews to be taken by fishing boats to Sweden.

The Medical Staff and their wives will greet Dr. Secher at a dinner in his honor Sunday, April 9, where he will relate some of his experiences during the German occupation.

The week to follow will be a busy one for Dr. Secher...filled with lectures at Jewish Hospital and Barnes, rounds, meetings and visits to points of interest. Of special note will be his lecture to the Medical Staff on ‘New Treatment for Low Back Pain’ which Dr. Secher developed.

He will conclude the week’s activities with a speech to the St. Louis Society of Anesthesiology. Then Dr. and Mrs. Secher will be off to another U.S. city of their choice through the generosity of the Medical Staff members.

Dr. Rudolf Ekstein
Guest Lecturer

Noted author Dr. Rudolf Ekstein spoke on “To Tell Or Not To Tell: On the Secret in Psychotherapy” at a Special Departmental Scientific Meeting held by the Department of Psychiatry Friday, February 18, at the Hospital.

Dr. Ekstein, Director of Childhood Psychosis Project, at the Reiss-David Child Study Center in Los Angeles, has authored four books and well over two hundred papers in the fields of psychoanalysis and psychology. He is particularly interested in the application of psychoanalytic thinking to problems of education.

Dr. Ekstein is also Clinical Professor of Medical Psychology at UCLA, Senior Instructor, Los Angeles Psychoanalytic Institute and Senior Instructor, Southern California Psychoanalytic Institute.

Memorial Services Held

Memorial services were held in the Hospital’s Chapel for family and friends of three members of the Medical Staff who recently passed away. The names of Benjamin A. Berman, M.D., Joseph Efron, M.D., and Michael Somogyi, Ph.D., were placed on the Staff Memorial Plaque.

From left, Rabbi Lawrence Siegel, Jewish Federation Community Chaplain for the Hospital, Mrs. Barbara Berman Vernier, Mrs. Mary Efron, Mrs. Michael Somogyi, Harry D. Rosenbaum, M.D., President of the Medical Staff Association.

Following his speech, Dr. Ekstein, second from left, converses with from left, Dr. Doris Gilpin, Child Psychiatrist at Washington University, Dr. Nathan M. Simon, Director of the Department of Psychiatry at the Hospital, and Dr. Arnold Block, Attending Psychiatrist.
**Robert Mahoney Appointed Pharmacy Head**

Robert W. Mahoney, from Glendale, Missouri, has been named the new Director of Pharmacy Services at the Hospital, replacing George V. Horne, who recently retired after 21 years with the Hospital.

Mr. Mahoney, a graduate of the University of Maryland College of Pharmacy, and holder of a Master of Science in Pharmacy degree from the University of Michigan College of Pharmacy, comes to the Hospital from Mallinckrodt Pharmaceuticals of St. Louis, where he served as Senior Research Pharmacist.

Prior to his work at Mallinckrodt, Mr. Mahoney was associated with the University of Arkansas Medical Center as Head of the Development and Control Laboratory; and also served as Chief of Education and Research, Pharmacy Service, Jefferson Medical College Hospital, Philadelphia, Pennsylvania.

**Linda Mantle Named Director Of Publications**

Linda Mantle has joined the Hospital as Director of Publications replacing Rick Wilber.

She comes here from H-K Corporation, MALE Slacks and Jeans, Atlanta, Georgia, where she was Public Relations Director and Publications Editor. She was previously with Wohl Shoe Company in St. Louis.

Ms. Mantle received her Bachelor of Journalism degree from the University of Missouri at Columbia.

**Auxiliary Plans**

**Spring Meeting**

The Jewish Hospital Auxiliary Spring Meeting will take place at noon Wednesday, April 26, at Temple Shaare Emeth. Program Chairman Mrs. John Isaacs III and Dr. Nathan M. Simon, Director of the Department of Psychiatry, have prepared a discussion format for the program — ‘The Four Phases of Eve’ — which will examine the four phases of a woman’s life.

Also at the luncheon meeting, new Auxiliary officers and directors will be installed.

**Doctors Day To Be March 28**

A tribute . . . to all the Medical Staff members! It’s Doctors Day 1972, slated for Tuesday, March 28. This is the day when the Board of Directors, the Auxiliary and the Associates join together to express appreciation to the entire Medical Staff for their invaluable services to the Hospital and the community. All three groups sponsor the annual recognition and have scheduled a Doctors Day reception to be held in the MAC room where the physicians will be honored from 5 to 7 p.m.

**Security Relocates**

The Department of Security and Ancillary Service is now located on the ground floor, east-west corridor of the Hospital. The office entrance can be found immediately west of the entrance to Central Supply on the north side of the corridor.

The telephone extension will remain 644.

**‘Postings’ Wins Award**

A United Fund feature story published in the Hospital’s Employee Postings has won a 1971 Feature Story Award in the United Fund-Industrial Press Association Editor’s Award Competition. The plaque was presented to Rick Wilber, former Publications Director, and Linda Hamilton, Publications Assistant, in recognition of outstanding editorial support of the United Fund.
Disaster Drill... A Crisis Check

A recent Disaster Drill at the Hospital has provided the Administration and Staff with “a valuable opportunity to re-evaluate the current Disaster Plan,” according to Director of Security Curtiss A. Morrison.

The Drill, which was made realistic by the academy-award acting and expert make-up jobs of the student nurses who portrayed the victims of a theoretical “train wreck,” took place in the triage area of the Hospital, in the Aaron Waldheim Clinic building.

The victims of the train disaster were carefully brought into the area, where a team of doctors and nurses carefully diagnosed the seriousness of each victim’s injuries and then sent each victim on to the proper place for treatment. In those cases where immediate emergency care was required, the doctors on hand administered that immediate help before the moving the patient to less crowded and hectic conditions.
Blood Donor Day

For the second time in the past six months, the Hospital held a Blood Donor Day recently, in hopes of qualifying for Group Coverage under the Red Cross Group Plan.

How to go about being a blood donor... three simple steps. The first is registration.

The second step is a prick in the earlobe. A small drop of blood can show whether the hemoglobin is sufficient for blood donation.

Step three and you’re out. Donating blood takes only seven minutes.

This plan, which stipulates that one-fourth of the total number of employees of a business or industry must donate during a 12-month period, guarantees all the whole blood and certain blood products used by all employees or members, plus the members of each one’s family including parents, parents-in-law, grandparents and grandparents-in-law.

After the latest Blood Donor Day, held January 27, the Hospital has a total of 147 pints donated. In the first Drive, held August 6, the Hospital donated a total of 70 pints, and in the latest Drive a total of 77 pints was reached.

This number, while falling short of the total of approximately 400 pints needed for group coverage, is heartening, especially since severe weather on the January date hampered both the donors and Red Cross volunteers from reaching the Nurses Residence where the Drive was held.

Even without reaching the goal of 400 pints, those Hospital employees who did donate blood are personally covered, as are their families, for their blood needs during the next year.
From left, Edward B. Greensfelder, President of the Hospital, David A. Gee, Executive Vice President, and Harry D. Rosenbaum, M.D., President of the Medical Staff Association at the Hospital, all took part recently in a panel discussion about various aspects of the Hospital before a meeting of the B’nai Brith Ebn Ezra Lodge. The meeting was one of a series of panels and speakers made available by the Hospital Speakers Bureau Program sponsored by the Associates.

Within two years the Forest Park Pavilion annex to the Hospital will be completed. Excavation is well on its way as phase two of this $21.5 million three-phase expansion program begins. The Forest Park Pavilion will rise nine stories to provide 180 beds plus facilities for radiology, surgery, clinical laboratories and admitting offices. The construction is on Forest Park Boulevard.

The family doctors, David B. Wilson Jr., M.D. (left), and David B. Wilson, M.D., and Mrs. Wilson attended the annual meeting of the Metropolitan Hospital Association of St. Louis in January at Stouffer’s Riverfront Inn. Dr. Wilson, Senior Assistant Director, University of Mississippi Medical Center, was the main speaker. He is a past president of the American Hospital Association. Dr. David Wilson Jr. is a second year resident in the Department of Medicine at the Hospital.
Contributions to Jewish Hospital Funds

Donors in Memory

Contributions received are used for research, appliances for clinic patients, new equipment, and other worthy undertakings, sponsored by the Jewish Hospital Auxiliary. The following memorial and honorinal contributions were received during the period October 16 to December 31, 1971. Any contributions received after December 31, 1971, will be listed in the next 216.

Contributions to this fund may be made by sending checks, payable to the Jewish Hospital Tribute Fund, c/o Mrs. A. Ernest Stein, Mrs. Harry W. Loeb, 216 South Kingshighway, St. Louis, Missouri 63110.
