Baseball Bears begin season with starting line-up changes

Despite the winter-like weather that continues to linger in the St. Louis area, the Washington University baseball season is under way. Prior to a spring break excursion to Jacksonville, Fla., the Bears were able to sneak one game in against city rival St. Louis University on March 1.

The Bears, returning from Florida with a 1-7 record, are now getting ready to head south once again, this time to Atlanta, Ga., for the first University Athletic Association Baseball Championships. Washington will meet Johns Hopkins University. Brandeis University, the University of Chicago and the University of Rochester in a round-robin format on March 23-26. The team compiling the best record will be crowned UAA champion.

Despite the return of six starting players and a virtually intact pitching staff, the Bears are taking on a decidedly different look this season. Five of the returning starters will be crowned UAA champion.

We figured he was capable of pitching two or three games in a row this way if we needed him to.”

Also seeing action from different homes this season will be seniors Dave Huey, Dave Moelker, Matt Tiefenbrun and junior Steve Malchow.

Huey, a .352 lifetime hitter for Washington, will move to second base after two seasons at shortstop, with Malchow moving from second to third. In the outfield, Moelker will be moving from right to centerfield, and Tiefenbrun will be making the shift from left to right. Senior first baseman Bob Starr and junior catcher/designated hitter Charlie Merchant are the only starters returning at their 1987 positions.

Senior Geoff Golab will move into the full-time starting position in left.

The one constant for the Bears is a challenging schedule. As in the past, the Red and Green play a variety of opponents from NCAA Division I and II, and NAIA schools, as well as Division III foes.

After the Bears return from the UAA championships, they will host five straight home games beginning with a doubleheader against Division III power Nebraska Wesleyan at 1 p.m. on Wednesday, March 29. They will then face Carroll College at 2 p.m. Friday, March 31, and another doubleheader beginning at 1 p.m. Saturday, April 1, against Millikin University.
