Summer Course 1926

My Dear

Do your vacation plans include a few weeks for professional study, and are you interested in closer associations with experienced teachers from all over the country? Then you will be interested in this early announcement of the Summer Normal course conducted by the staff of Central Institute for the Deaf, to be held in St. Louis, Mo. the weeks of JUNE 21 to JULY 17 inclusive.

The following subjects are covered thoroughly, and though the time may seem short, we have found that teachers who are experienced and who enter enthusiastically upon their work can complete the course in four short weeks.

Miss Connery	hours per week
Theory and practical application of voice work	4
Theory and practical application of language principles	4
Round table - Oral education	1
Miss Templeman	
Introductory work in language, rhythm, speech	3
Acoustic practice	2
Miss McGinnis	
Methods, diagnosis, pedagogy of corrective speech	2
Speech quiz	1
Round table - Defective speech problems	1
Dr. Goldstein	
Anatomy and physiology, organs of speech and hearing	3
The acoustic method, principles and practice	4
Round table - Problems of the deaf	1

The expense of this course for each matriculant will be \$100.00 and will include tuition fee, board and lodging, and post-graduate certificate to all who qualify.

Early application, or a letter stating your intentions will greatly facilitate arrangements for accommodations. And if you know of some other teacher who will be interested, may we hear from you?

Sincerely yours,

Principal

Summer Normal 1926

My dear -----

I have your letter of _____ in which you ask for information concerning the Summer Normal Class of Central Institute for the Deaf.

The summer school this year will be held in St. Louis at the Central Institute for the Deaf, from June 21 to July 17, inclusive.

The work to be given will be an epitome of the work done in the regular session and will include: Voice Building; Speech Development; Conservation of Residual Hearing; Graded Work in Language; Anatomy and Physiology of the Organs of Speech and Hearing; Functional tests. Matriculants for this class must have had at least one year's experience in teaching the deaf.

The price for the course will be \$100.00 and will include tuition fee, board, lodging and post graduate certificate to all who qualify.

I am enclosing an application blank, which you will please fill out and return together with the initial payment of \$25.00 in order to secure reservations.

If there is any further information you desire, I shall be very glad to hear from you.

Sincerely yours,

Principal
