On February 16, 1931, official announcement was made of the affiliation of the Teachers' Training College of Central Institute for the Deaf with University College of Washington University.

By virtue of this affiliation the degree of Bachelor of Science in Special Education will be granted to fully qualified graduates of Teachers' Training College of Central Institute for the Deaf who meet the requirements established by the Advisory Board, which will administer this relation on behalf of Washington University.

The course required for this degree is a four-year curriculum. The Freshman and Sophomore years of this curriculum may be taken at Washington University either in the College of Liberal Arts or in University College, or at any University or accredited Junior College which provides the curriculum set forth below. The Junior and Senior years must be taken at the Central Institute for the Deaf, subject to such requirements as may be imposed by the Advisory Board.

A limited number of Scholarships are provided annually by the General Educational Board of the Rockefeller Foundation

## PRE-PROFESSIONAL CURRICULUM
