STUDENT FROM GREECE STUDYING HOSPITAL ADMINISTRATION HERE

JOHN EVANGELOS RIZOS is visiting the United States for the purpose of training in Hospital Administration. His ambition after his training is to enter in Public Health work in Greece, his native land.

Mr. Rizos was born in Athens, on November 26, 1920. He graduated from the Supreme School of Economics and Commerce. He completed one year of law following graduation and wrote a thesis on Hospital Administration.

In 1933-1934 he was a Scout Leader. He served as Director of Public Masses (a branch of National Christian Solidarity) and was at one time an employee of the Ministry of Fine Arts.

He collects records and books on art. He is especially interested in the why and wherefor of Modern Compositions.

He is unmarried. He definitely likes Americans and America. He belongs to the Washington University Honorary Economics Fraternity, and is a student member of the American Academy of Social and Political Sciences.

CONGRATULATIONS!

To William Fuls ("Polly") in the Maintenance Department on his 26th anniversary at Barnes this month.

Hats off! We appreciate your loyalty.

FRANK RAND TO RECEIVE HOSPITAL CITATION TONIGHT

Frank Rand, head of the board of trustees of Barnes Hospital and Vanderbilt University will be honored tonight at the American Hospital Association Convention at Atlantic City, New Jersey.

During the convention, which is being held from September 20-23, Rand will speak on the "Responsibility of Industry to Health".

He will be given an honorary membership in the Hospital Association.

Rand has contributed greatly to the Medical Schools of Washington University and Vanderbilt. The Johnson-Rand Memorial building is his large contribution.

**************

DR. FRANK R. BRADLEY, director of the hospital is also attending the convention. He nominated Mr. Rand for the citation.

DR. FRANK EWENHARDT HONORED IN WASHINGTON D.C.

Dr. Frank Ewenhardt, former director of Physical Medicine at Barnes Hospital and assistant professor at the Medical School has been appointed consultant in physical medicine in Rehabilitation at the Veteran's Administration.

Dr. Ewenhardt started the Physics Therapy Department in the Barnes group. He continues as Director Emeritus of Barnes department of physical therapy as well as director (emeritus) of the School of Physical Therapy.

On September 9th he received a Gold Key Award at the American Congress of Physical Medicine. The award was representative of his extensive contribution in the field of physical medicine.
KNOW YOUR STAFF
by BETTY WALSH

VARIous AND SUNDRY THINGS

The Cook family of DuQuoin, Ill., was expecting a boy on September 21, 1908, but he turned out to be a girl, Lucille Cook (known to us as Lucille Bradley). She earned the approval of her brothers even though she was a girl, for they nicknamed her "Tom". Their yellow frame house often shook on its foundation with the boisterous merrymaking.

In high school Mrs. Bradley was most interested in English and Sciences. She confessed that Geometry scared her to death.

Leaving high school Lucille Cook married and became Mrs. Lucille Bradley. Her husband is employed by the post office so this necessitated moving frequently. While staff by the Foundation Hospital in Chicago, she was employed at Marshall Fields in the cosmetics Department. Four years later the Bradleys settled in St. Louis and Mrs. Bradley came to Barnes Hospital. Her daughter Shirley is part of the Medical Center. She has started nurse's training.

Favorite color—Blue and green
Favorite food—"You name it, I'll eat it." When pinned down she guessed it was fried chicken and shrimp.
Favorite music—Semi-classical
Pat Pooe—Mrs. Bradley hates the lime light. She detests people who are extremists. She herself is a middle of the road person.

She is extremely enthusiastic about plans for the expansion of the drug store.

Hay Fever Season

This is the time of the year when "gesundheit" replaces the customary "how're you" as the universal greeting.

ADULT EDUCATION (cont)

A complete listing of the evening courses is contained in the new fall catalogue. A free copy may be obtained by writing or calling the University College Office, 126 Brookes Hall, Pa 4700.

Pre-registration conferences have been scheduled through September 18. Registration, September 20th to 25th inclusive, will be held in Duncker Hall, daily, except Saturday, from 7 to 9 P.M. Saturday, 9 A.M. to 7 P.M. only.

If the employees are interested Barnes Personnel will be available for further information.

A MESSAGE FROM MISS LOUISE HILLIGASS ON RETIREMENT AS SUPERINTENDANT OF NURSING

To all Personnel of Barnes Hospital:

I have been trying for some time to find words to express my appreciation for the honor you bestowed upon me at the retirement of my position as Superintendent of Nurses.

You were so generous and kind to me, it is something that I shall carry in my heart always. Each day, as I listen to my little radio, it brings to mind my pleasant association with you. With the gift of cash for the friendship garden, I plan to put a long row of tulips in various colors on either side of my drive, which leads to my door. When I look at the gay colored tulips in the spring, I shall pretend it is all of you walking up the road to make me happy.

Again I thank you most sincerely.

Cordially yours,

Louise Hilligass
Public Relations

JOKES—YUK! YUK! (cont)

self sickening and repulsive if you have to, but don't ever forget to repeat and repeat and repeat! It's the only way to get results!

"Yes, sir," the employee replied in a meek voice.

"And now, what was it you came in to see me about?"

the head of the agency asked.

"Well, sir," came the reply,

"A raise! A raise! A raise! A raise! A raise! A raise! A raise!"
