GIFT PROVIDES SECOND JH NURSES’ RESIDENCE

A $100,000 gift has been presented to the Jewish Hospital by Mr. Sydney M. Shoenberg, 22 Portland Place. The gift was accepted at the Board of Directors’ May meeting.

Part of this money has been used to purchase a four-story building located at 4949 Forest Park Boulevard (just across the street from the Hospital) which will be used as an additional dormitory for student nurses. The remainder of the gift has been designated for use in remodelling and repairing the newly acquired property.

The building, which will be known as the “Shoenberg Nurses’ Residence”, will have accommodations for 47 persons. In addition, it will be equipped with combination lounge and kitchen facilities and a main lounge on the first floor. It is expected that the building, formerly used by Washington University as a medical students’ dormitory, will be ready for occupancy by September 1st.

In 1928, Mr. Shoenberg and his mother, the late Mrs. Moses Shoenberg, donated $300,000 for the construction of the present nurses’ residence — the Moses Shoenberg Memorial located at 306 South Kingshighway. The new residence will be used in conjunction with the original building.

NURSES’ ALUMNAE CELEBRATE 50th ANNIVERSARY

“Changing Times” was the theme of an all-day celebration Saturday, June 13, honoring the fiftieth anniversary of the Jewish Hospital Nurses’ Alumnae Association.

The present and future role of the nurse was discussed in a session at Steinberg Auditorium in the Hospital. Dr. M. Norman Orgel, staff physician, spoke on “The Doctor Looks at the Nurse”; Miss Edna E. Peterson, R.N., Director of the School of Nursing and Nursing Service, commented on “The Future of Nursing”; and a panel of eight nurse specialists attempted to answer the timely question, “Where Did the Nurse Go?”

(Continued on page 3)

HERE’S OUR NEW INTERNS STAFF FOR 1959-60!

(See page 7 for story on out-going house staff)

Robert E. Burch, M.D.
Milton J. Deitch, M.D.
H. Stephen Farmer, M.D.
Arthur H. Gale, M.D.
Sheldon Glass, M.D.
Warren Jacobsohn, M.D.
Sidney Keister, M.D.
Albert Oberman, M.D.
Gene W. Spector, M.D.
David Sperling, M.D.
Clifford Talbert, M.D.
Earl Woerner, D.D.S.
Dolores Wolff, M.D.
Walter Wong, D.D.S.
DR. ROTHMAN HEADS
JH MEDICAL STAFF

Dr. David Rothman, Director of the Division of Obstetrics and Gynecology, is the newly elected president of Jewish Hospital's medical staff, succeeding Dr. I. Jerome Flance, Director of the Home Care program.

Also elected to serve two-year terms were Drs. M. Norman Orgel, vice-president; Martin Bergmann, secretary; and Robert Burstein, Treasurer. Drs. Flance and Leo A. Sachar were elected to the Joint Conference Committee.

First associated with Jewish Hospital in 1935 as an intern, Dr. Rothman also took his residency here. With his clinical instructorship in obstetrics and gynecology at the medical school and his lectureship at George Warren Brown School of Social Work, both at Washington U., Dr. Rothman is often a stranger at his home, 8033 Davis Drive, Clayton . . . and that’s not counting the many nights out he gets — to spend in JH’s delivery suite!

His professional societies include the American Board of Ob-Gyn, the Central Association of Ob-Gyn, American College of Ob-Gyn, and the St. Louis Gynecological Association. He was also a board member of the Jewish Children’s Home and the former Jewish Medical Social Service Bureau.

In his spare time (what little there is of it!), he plays bridge and, on occasion, the violin.

Dr. and Mrs. Rothman have 3 daughters — Sally, a 7th grader; Elaine, a freshman at the University of Wisconsin, and Mrs. Helen Flegel.

EAR SURGERY TECHNIQUES DEMONSTRATED

Restoration of sound to many partially deafened ears is the aim of Jewish Hospital’s year-old surgical rehabilitation of hearing program, headed by Dr. Ben H. Senturia (right), Director of the Department of Otolaryngology.

Above, Dr. Senturia shows Mr. Morton J. May, (center) and Mr. Milton Hellman, treasurer of the St. Louis Otological Foundation, how the $2,000 Zeiss Otomicroscope made available by the Foundation is used in delicate ear surgery. Grants from Mr. May and the Louis D. Beaumont Foundation originally made the surgical program possible.

Pre-surgery tests are administered by Dr. Robert Goldstein, full-time head of the Audiology section of the Department. In late summer, Dr. Benjamin Rosenblit, now in Chile, will join the Department as a fellow in otology. His clinical and research background will be used extensively.

When more funds are available, new equipment and personnel will be added to the program.

1959 FEDERATION DRIVE
NETS RECORD RESPONSE

An overwhelming employee response to the 1959 Jewish Federation drive recently concluded at Jewish Hospital made this year’s campaign the most successful conducted here, it was announced by Mrs. Frances Stovall, Chairman.

A total of $3,080.30 was donated by 924 employees. This sum represents an increase of $468, or 18%, over last year’s results.

Employee participation hit a record 92% — an increase of 14% over 1958.

Congratulations to Mrs. Stovall and her committee on a job well done!

WELCOME, CANDY STRIPERS!

The pink and white candy-striped pinafores you’ll be seeing around JH this summer are the uniforms of our 130 junior volunteers.

These young ladies, who are high school and college students from the St. Louis area, serve as summer replacements for the adult volunteers — and they do a wonderful job, too!

Working in such areas as physical therapy, X-ray, coffee shop, mail room, information desks, and the nursing divisions, many of the girls devote two full 8-hour days each week to serving the hospital.

As a reward for their efforts, the juniors receive a cherry red service stripe for each 50 hours of service. Before their return to school in the fall, the junior counterpart is honored by the Women’s Auxiliary with a tea, at which time each girl is awarded a certificate of merit.

We tip our hats to these unselfish, hard-working young ladies, and look forward to having them with us for many summers to come!
ABBY “SPEAKS” HER TROUBLES AT AUXILIARY’S SPRING LUNCHEON

The most entertaining troubles we’ve heard in a long time were cleverly presented by Miss Abigail Van Buren, syndicated lovelorn advice columnist, at the spring meeting of the Women’s Auxiliary on May 8 in the Khorassan Room of Hotel Chase. Miss Van Buren, introduced by Mr. Richard K. Amberg, publisher of the St. Louis Globe-Democrat, spoke on “The Troubles I’ve Seen.”

Mrs. Joseph F. Ruwitch, President of the Auxiliary, conducted the meeting and gave her annual report. She presented Mr. John M. Shoenberg, President of the Hospital, with a check for $87,240. This money, $10,435 more than last year’s gift, represents money raised by Auxiliary projects.

Mrs. Edward F. Schweich installed the following newly-elected officers and board members: President, Mrs. Harry Loeb; Vice-President for fund raising, Mrs. Harry Lieberman; Vice-President for public relations, Mrs. Walter K. Hamburger, Vice-President for volunteer services, Mrs. Edwin Shifrin; Treasurer, Mrs. Chester Steiner; Financial Secretary, Mrs. Milton Jasper; Assistant Financial Secretary, Mrs. Harry Hammerman; Corresponding Secretary, Mrs. Roderick J. Lewin; Assistant Corresponding Secretary, Mrs. Joseph Berger, II; Recording Secretary, Mrs. Harry Laba; Assistant Recording Secretary, Mrs. Eugene Glick.

Directors of the Board: Mesdames Arthur Baer, Sam Golman, I. M. Kay, and Harvey Nathanson.

Mrs. Robert L. Shifrin, Chairman of the Volunteer Services Committee, announced that an average of 460 volunteer workers were active at the Hospital during the year. Dr. David Littauer, Executive Director, accepted a “gift” of 57,885 total hours worked by volunteers in the past year.

Mrs. Alfred Goldman was honored as the volunteer with the most hours worked during the year — 5,000. Also honored for hours of service were: Mrs. Elmer Abramson, up to 5,000 hours; Mrs. Charles Steiner; Gordon Scherck and Millard Waldheim, up to 4,000 hours; and Mesdames Sylvan Agatstein, Alvin Goldstein and Felix S. Dreyer, up to 3,000 hours.

It was announced that 65 new members were added to the Auxiliary during the past year.

Mrs. Walter K. Hamburger served as Program Chairman for the luncheon meeting.

Gay pink tablecloths and clover centerpieces decorated each table, and volunteer workers dressed in their cherry smocks were seated in a reserved center section.

CAPACITY CROWD ATTENDS THIRD SCIENTIFIC SESSION AND DINNER

Three leading medical lecturers addressed the Third Annual Scientific Session sponsored by the Jewish Hospital Alumni Association May 12. The all-day event was held in Steinberg Auditorium at the Hospital.

After a welcome by Alumni president Dr. Louis Cohen, the meetings opened with a talk by Dr. Edwin J. DeCosta, Associate Professor of Obstetrics and Gynecology at Northwestern University Medical School. He discussed “Medical Complications of Pregnancy with Special Reference to Diabetes.”

Following Dr. DeCosta was Dr. Jacob Fine, Surgeon-in-Chief at Beth Israel Hospital. Dr. Fine’s subject was “The Reticulo-Endothelial System in Anti-Bacterial Defense.”

Last speaker of the morning was Dr. James O. Davis, Chief of Cardiovascular Research of the National Heart Institute, whose topic was “The Role of Aldosterone in Congestive Heart Failure.”

The afternoon session was divided into three specialty groups — medicine, surgery, and obstetrics and gynecology — for specialized discussions and rounds.

The group reassembled at Westwood Country Club early that evening for cocktails and dinner. Entertainment was provided by the inimitable Dr. Leon Foster and his funny fables, and the 1958-59 intern staff, who presented a satirical skit entitled, “The Vanishing Interns.”

Names of the newly-elected Alumni Association officers were announced. They are: President, Dr. Lawrence M. Kotner; President-elect, Dr. Leo A. Sachar; Vice-President, Dr. Alvin Goldfarb; and Secretary-Treasurer, Dr. Gilbert N. Lassar.

Dr. Harry D. Rosenbaum served as program chairman; Dr. David Feldman was in charge of reservations; and Dr. I. C. Middleman handled arrangements for the banquet.

NURSES’ ALUMNAE

(Continued from page 1)

The Jewish Hospital Board of Directors sponsored a luncheon in the Moses Shoenberg Memorial. Over 400 guests attended and were welcomed by Mr. John M. Shoenberg, President of the Hospital. The day’s activities concluded with a dinner-dance at the Chase Hotel.

Some 350 alumnae, from Delaware to California and Oregon to Florida, returned for the anniversary. Mrs. Eleanor Sinco Holke, Ferguson, Miss, class of 1907, was oldest alumna present. Also present was Mrs. Anna C. Robinson, class of 1909, former night nurse supervisor at the hospital. Miss Golda O. Cohen, R.N., is current alumnae president.

At the luncheon, the Women’s Auxiliary presented the alumnae $100 for the Blanche R. Greenwald Scholarship Fund. The JH Medical Staff presented the alumnae $100 for general expenses. The alumnae presented Mr. Shoenberg $500 for the purchase of a Stevenson respirator for obstetrics. Mrs. Harry L. Franc, Jr., chairman of the Committee on the School of Nursing and Nursing Service was made one of the few honorary members of the alumnae.

June - July 1959
GIFT FROM GERTRUDE SOCIETY
MIRIAM GRANT RENEWAL

Mrs. Sydney E. Rifkind, right, former President of Miriam No. 17, United Order True Sisters, and Mrs. Simon Toder, Chairman of the chapter's cancer project, present a $700 check for renewal of a grant to Dr. Noah Susman, June - July 1959.

$3,000 GIFT BY N. R. AIDS RESEARCH; DAVEY BOLD SINGS AT LUNCHEON

At the annual donor luncheon of the Noshim Rachmanithah Mothers and Babies Welfare Society, Mrs. Jacob Millman, President, presented a check for $3,000 to the hospital's Frances D. Israel Research Fund to further obstetrical research by Dr. Samuel D. Solel and Dr. Robert Burstein of JH's staff. The Society has financial assistance to needy mothers and previously donated $15,000 to equip and furnish the newborn and premature nurseries and formula rooms on the maternity floor. Above, Davey "Nose" Bold, well-known "Lost comic," is shown entertaining members of the Society after the business meeting.

REHAB PROGRAM CITED

JH’s Miriam Rehabilitation Division has been cited by the Employers Mutual Liability Insurance Company of Wisconsin as one of eight rehabilitation centers in this country providing services vital to the recovery of victims of spinal cord injuries. Of 42 workmen’s compensation policyholder employees sustaining treatable paralyses of the upper and/or lower extremities in the past 9 years, 27 were successfully treated, with 7 returning to full-time employment and the others “reasonably active” in home and community. Of this number, 7 cases were assigned to Jewish Hospital, according to Dr. Franz U. Steinberg, Medical Director of the Division.

A spokesman for the rehabilitation insurance company, estimated that savings in medical costs on these 27 successfully rehabilitated cases alone would amount to millions of dollars. He credits the skill and patience of the rehab center personnel for recoveries that have led to making life more meaningful to the rehabilitated.

POST-PICNIC MIMICS BY “FIREMAN” ARTIST

Millard Glaser, caricature artist and impersonator, entertained patients on the Rehabilitation Division after a picnic supper held for them on June 10. Everyone thoroughly enjoyed Mr. Glaser’s amusing antics and entertaining sketches.

June - July 1959
JH STAFFERS PUBLISH BOOK ON PANCREATITIS

A volume titled, "Pancreatitis—A Clinical Pathologic Correlation," co-authored by Dr. Herman T. Blumenthal, left, Director of the Institute of Experimental Pathology, and Dr. J. G. Probstein, right, Director Emeritus of the Division of Surgery, has been published by the Charles C. Thomas Company of Springfield, Illinois. This book represents the culmination of 25 years of research on pancreatitis conducted at the Jewish Hospital by the authors, and represents the only comprehensive publication on this subject in the last half century.

Photos above show the authors presenting advance copies of the book to Mr. Morton J. May and Mrs. Clara K. London, who have been generous and devoted supporters of the pancreatitis research program since its inception.

MEDICAL STAFF . . .

Dr. Harry Agress participated in the program of the recent meeting of the St. Louis Academy of General Practice held in St. Louis, speaking on "Exfoliative Cytology—An Office Procedure for the Early Detection of Cancer."

Dr. Stanley London recently made the sports pages. He won the Ozark A.A.U. handball singles and doubles championships (the latter with partner Al Goldstein), and has the trophies to prove it!

Dr. Leon J. Fox presented a paper before the staff of the Missouri Delta Hospital, Sikeston, Mo., on "Herniated Intervertebral Discs."

A mycology exhibit prepared by Dr. Morris Moore was displayed at the annual meeting of the A.M.A. in Atlantic City.

Dr. Donald Dickler has been elected vice-president of the St. Louis Society of Anesthesiologists.

Attending the recent meeting of the Academy of Dental Medicine in Atlantic City as a delegate was Dr. Gunter Schmidt. At this meeting, he accepted the charter awarded to the Missouri Section of the Academy.

An honorary membership in the Austrian Dermatological Society has been conferred on Dr. Ernest Spitzer.

"Pride or Prejudice (A Philosophy of Dental Practice)," was the title of a talk presented before the West District Dental Society by Dr. Jerome S. Grosby.

Newborns at JH were increased in May by additions to the families of several staff members. Girls were born to the Herbert Zimmermans, the Kenneth Serkes, the Morton Binders, the Sidney Jicks, and the Stanley Reitmans. The Marvin Rennards also had a little girl—accompanied by a twin brother! Congratulations to all the proud new parents.

Dr. Virgil Loeb, Jr., has been appointed part-time interim Hematologist and Director of the Blood Bank, replacing Dr. Herbert Perkins who will leave on July 1 to return to California.

Recently advanced to the rank of assistant professor at Washington U. School of Medicine were Dr. Morris Abrams (clinical genito-urinary surgery), Dr. Nathan Blackman (clinical psychiatry), Dr. Morris D. Marcus and Dr. Marvin Roseman (clinical medicine).

Dr. Ben H. Senturia was recently elected editor-librarian of the American Otological Society.

Co-authors of an article, "Bidirectional Tachycardia," appearing in the March issue of the American Journal of Cardiology, are Dr. Sidney Jick and Dr. Willy J. Weinstein.

Dr. Paul S. Lowenstein, president of the American College of Angiology, presided at the College's first international meeting held in Atlantic City from June 5-7.

A medical motion picture filmed by Dr. Gilbert Lassar was entered in the American Physicians' Art Association exhibit held in Atlantic City June 8-12.

Dr. I. J. Fiance was re-elected medical director of the Tuberculosis and Health Society of St. Louis.

A medical motion picture filmed by Dr. Sam Schneider on "Subtotal Colectomy with Anal Ileostomy—Two-Stage Procedure," was shown by him recently to the Department of Surgery of the U. of Minnesota School of Medicine.

HOUSE STAFF . . .

Move over Sam Snead! Dr. Clarence Benage, intern, won the house staff portion of the annual St. Louis Medical Society golf tournament held May 20 at Crystal Lake. His winning score was a 79 on a par 71 course.

Baby boys were welcomed into the homes of Glenda and Matt Becker, Gilda and Sam Lugo, and Dolores and Bay Wolff during the merry month of May.

MEDICAL RECORDS . . .

Welcome to Mrs. Jane Matthews, initial inspection clerk, and Miss Loretta Moore, registered medical librarian. Miss Moore replaces Mrs. Clara Boyd, who has retired to become a full-time housewife.

CHILD PSYCHIATRY . . .

Mrs. Joan Caine, school teacher, has resigned to move to Connecticut. Her replacement is Mrs. Sherril Akyl, a 1959 graduate of Washington U.

Miss Ellen Lischer, R.N., has announced her engagement to Mr. Robert DeRouse.

The division's nursing staff was entertained by Mrs. Ursula Hungate, R.N., with a barbecue supper at her home on June 6.

AUDIOLOGY . . .

Mrs. Barbara Angle is the new secretary in Audiology, replacing Mrs. Gail Richardson who has moved to Oklahoma.

Good wishes to Joan Kramer, audiologist, who has joined the staff of Central Institute for the Deaf. Taking Joan's place is Mrs. Bess Arick, who will be trained as a technician.

Congratulations to Robert Goldstein, audiologist, on his election to fellowship in the American Speech and Hearing Association.

SOCIAL SERVICE . . .

Social workers joining the staff for the summer are Mrs. Elsie Miller and Mr. William Powell, both of Washington U.
DIVISIONAL PATTER (Continued)

Miss Bettyann Dubansky attended a workshop conference on the role of social work in a rehabilitation center, held at the Institute for the Crippled and Disabled in New York.

Miss Mary McKeever represented the St. Louis Chapter of the National Association of Social Workers at the group's legislative workshop held in Washington, D.C., June 18-20.

Good luck to Miss Donna Mae Danielson, part-time field worker from St. Louis U., who is returning to her home state of Minnesota to work.

REHABILITATION DIVISION . . .

Dr. Franz U. Steinberg has completed a year's training in physical medicine at the University of Kansas, and is on leave of absence at the University of California. He has assumed duties as full-time director of the Rehabilitation and Chronic Disease Divisions.

Special thanks to the Miriam Lodge Garden Club for their donation of four planter boxes of flowers and shrubs for the sun deck adjoining the Rehab Division. Given in honor of Mrs. Augusta Littman, 766 Wenneker Drive, the flowers add a bright touch to this much-used area.

If Bob Hickok, Coordinator, seems to have been bitten by the acting bug, it's probably because of his recent television appearance! Bob visited the "Good Morning, St. Louis" show (KMOX-TV), and discussed rehabilitation.

OUT-PATIENT DEPARTMENT . . .

We're sorry to see goodbye to Joy Moore, R.N. and Joy Remer, R.N. Joy #1 is moving to California, and Joy #2 will be working for Drs. London and Middleman.

HOUSEKEEPING . . .

April was birthday month for Mrs. Mary Graf, Mrs. Helen Bell, and Mrs. Thelma Triplett, who celebrated at a joint party. A speedy recovery to Rubie Cooper, who recently underwent surgery.

Fish(y) story: Thelma Triplett caught a six-pound bass on her recent Texas vacation. One of those Texas yarns, Thelma?

LAUNDRY . . .

Congratulations to Catherine Ellerbrocht on her new twin granddaughters! Genora Goodwin is back on the job after recent hospitalization.

DIVISION OF MEDICINE . . .

Welcome to Mrs. Ruth Bethe, secretary to Dr. Albert B. Eisenstein, Director of the Division, and Miss Carolyn Toeniskoetter, medical research lab technician.

DIVISION OF SURGERY . . .

Sporting a new diamond solitaire is Ann Carter, Secretary to Dr. Senkes. She'll be married on July 17 to Mr. August Benson, Jr.

HEART STATION . . .

A new face seen around the Heart Station is that of Jacqueline Ann Luecke, technician. Shuqualak, Mississipi was honored recently with a visit by Mrs. Geraldine Steele. Glad to hear you enjoyed your vacation, Gerry!

Taking off for the sunny coast of California where she'll spend her July vacation is Miss Marge Peteler, supervisor.

TRAINING COURSE ENDS

Mr. Maurice D. Wolfe, Assistant Director, presents certificates to employees completing his 16-week supervisory training program. This comprehensive course included indoctrination, job training, standards, discipline, and human relations. Of 30 assistant supervisors from various departments of the Hospital who enrolled in the course, 24 received certificates upon its completion.

PHARMACY . . .

New personnel in the department are Mr. Sam Rosen, registered pharmacist, and Mrs. Polly Erwin, secretary.

George Horne, pharmacist, and spouse, Ethel, will be spreading some tall fish stories upon their return from a vacation trip to Bennett Springs, Missouri, in July.

DIETARY . . .

New additions to the Dietary staff are Mr. Ira Yeargain, cook, and Miss Gloria McGadden, dietitian in the special diet kitchen.

Looking rested are Mr. & Mrs. Earl Huff, who vacationed in Newport, Rhode Island, and Miss Grace Campbell, who recently spent a week in Cincinnati, Ohio.

Get well wishes to Mrs. Juanita Bean, who recently underwent surgery.

BUSINESS OFFICE . . .

Helping to balance the books is Mr. John Hollmann, new auditor and accountant in the Accounting Department.

Good luck to Ernie Coombs, IBM superuser, who is leaving JH.

Edith DeVoe, head cashier, will be leaving for the sunny clime of Florida on July 1, to take up permanent residence there. We'll all miss you, Edith!

Felicitations to Jim Lynn, Dave Kimball and David Shelton, part-time night cashiers, who received their D.D.S. degrees from Washington U. Toothache, anyone?

INSTITUTE OF EXPERIMENTAL PATHOLOGY . . .

Dr. Herman T. Blumenthal, Director, was recently awarded a fourth year extension of a grant from the National Advisory Heart Council of the National Institutes of Health for research in arteriosclerosis.

ADMINISTRATION . . .

Dr. David Littauer, Executive Director, attended the meeting of the International Hospital Federation in Edinburgh, Scotland June 1-5. While abroad, he visited hospital installations, particularly those concerned with long-term care, in Copenhagen and other cities. He lectured before the Hospital Administrative Staff College in London on problems in hospital administration, and before graduates in industrial engineering at the University of Birmingham on industrial engineering in the hospital.

Dr. Littauer has been elected to a three-year term on the Board of Directors of the Health and Welfare Council in St. Louis. Mr. Norman Bierman, JH board member, is the new Vice-Chairman of the Health and Hospital Planning Committee of the Health and Hospital Division of the Council.

Cornell University has once again invited Dr. Littauer to lecture at the Sloan Institute's Hospital Administrators' Development Program this summer. He will speak on "Forms of Medical Staff Organization in General Hospitals."

Assisting Dr. Albert Wessen this summer with research in the Medical Care Administration Section of the Research Institute will be Mr. William Barber. Bill is a member of the Health Organization Research Training Program at St. Louis University, and holds a master's degree in psychology from that school.

Congratulations are in order for James O. Hepner, who recently was promoted to Administrative Assistant. Jim has also been appointed Administrative Coordinator in the Operating Suite. He received his Master's degree in hospital administration from Washington U. on June 10.

Sprechen sie Deutsch? That was the question heard around JH on May 7, when members of the administration entertained Herr Eberhard Fricke, Assistant Administrator, at the St. Markus Hospital at Frankfurt am Main, Germany. Mr. Fricke is in this country on an 8-month Eisenhower
**FRANCIE** FETED WITH SURPRISE PARTY

Exchange Fellowship studying hospitals, and, when he returns to Germany in September, will be administrator at the Westnieder-Rhine Hospital.

New gal Friday in the executive offices is Miss Carol Paul, secretary to Mr. Hepner and Dr. Wessen. Carol replaces Mrs. Joy Severin, who has gone to Ann Arbor, Michigan, where her husband will serve his internship.

**VOLUNTEER SERVICES . . .**

It's good to have Mrs. Sophia Rosenkranz back at her desk again, after her recent illness.

New face seen in the Volunteer Office is that of Nancy Berkowitz, clerk-typist, who is assisting Mrs. Carol Mersmann on a temporary basis.

**SCHOOL OF NURSING . . .**

Newly-elected officers of the student council were installed on May 4. They are: President, Mrs. Donna Wright; Vice-President, Gwen Morein; Secretary, Beverly Burns; and Treasurer, Dolores Ruebke.

Miss Judy Lightner has been elected President of the Third District, Missouri State Student Nurses' Association. Best wishes to you, Madam President!

Retiring president of the Missouri Student Nurses' Association is Miss Joan Milligan, who deserves a round of applause for a job well done.

A trip to Philadelphia and the National League for Nursing Convention was enjoyed by students Sheila Lisak, Judy Lightner and Beverly Burns.

The freshman class welcomed the spring season with a picnic in Forest Park on June 1. Members of the faculty were guests of the class.

**PERSONNEL . . .**

Mrs. Debby Gottlieb has replaced Mrs. Monny Kraus as statistical clerk. Debby is from Yugoslavia, and has been in the U. S. 8 years.

Mr. Maurice Wolfe, Assistant Director, recently spent a two-week vacation in his home town, Louisville, Kentucky.

**CREDIT OFFICE . . .**

Phia Siegel, Supervisor, announces that members of the credit office staff are organizing a bowling team, meeting every Wednesday at 7:00 p.m. at the Arena Bowl. Team members include: Lillian Barr, Norma Combrevis, Eleanor Oglesby (credit office); Miss Jean (admitting); George Waller (social service); and Shirley Stoving (public relations). Other employees interested are invited to join the group.

**ADMITTING . . .**

Mrs. Frieda Radinsky has joined the staff of the department as an admitting clerk.

**CLINICAL LABORATORIES . . .**

New faces in the laboratories include Jim Cotner, blood bank technician; Mrs. Rose Londe, urinalysis lab technician; Miss Shirley Johnson, secretary to Mr. Alex Somenwirth, bacteriologist; and Miss Judy Asmussen, office clerk.

Congratulations to Wallace Wegner, Eugene Nagel, and Morris Reichlin, night lab technicians who received their M.D. sheepskins from Washington University on June 10.

Dr. Sam Frankel, biochemist, attended a symposium on "Gamma Amino Butyric Acid in the Brain," sponsored by the City of Hope Hospital in Duarte, California.

Double good wishes are in order for Jose Acra—for his promotion to the position of hematology lab supervisor, and for his new baby son, Ricardo Antonio!

"We're sorry to say goodbye to Dr. Herbert Perkins, Hematologist, who is moving back to California. Also leaving us is his secretary, Mrs. Louise Ball, whose husband has been transferred to the West Coast.

"Wedding bells rang almost constantly during the month of May for our lab personnel—Ann Ledford, bacteriology research technician, and Mr. Pete Rosen were wed May 9; Mary Schelly, bacteriology lab technician, and Virgil Castermeyer said their "I do's" on May 16; and Rosemary Copp, chemistry lab supervisor, and Angelo Pellicciotto became Mr. and Mrs. on May 23. Perhaps the lab girls can pass on the secret of their "hubby-snagging" success to others—we seem to have more weddings in this department than any other!

**RADIOLOGY . . .**

Welcome home to Dr. H. R. Senturia, Director of the Department. He and Mrs. Senturia recently returned from a four-week tour of Europe.

**PUBLIC RELATIONS . . .**

Mrs. Diane Gallant, secretary to the Director of Public Relations, will exchange her typewriter for a dust cloth on July 31, when she retires to become a full-time housewife in her spanking-new home. She'll be spending much of her time planning and decorating the nursery being readied for the Gallant heir expected in September. We'll all miss our favorite Associate Editor of "216," and wish for her the best of everything.
