Research Digest

June 2016

- The Division of Public Health Sciences congratulates [Sarah Gehlert, PhD](#), professor of surgery and professor in the Brown School, on her **appointment to the [California Breast Cancer Research Program steering committee](#)**. Her appointment will begin in July and run through 2021.
- **Media Notes:** 1) [Graham Colditz, MD, DrPH](#), was quoted in [The Washington Post](#) about the future of lab-grown meat and the possible health benefits regarding colon cancer risk reduction. 2) [Adetunji Toriola, MD, PhD](#), was interviewed for an [Associated Press article](#) about the second Johnson & Johnson lawsuit ruling in which a woman died due to ovarian cancer possibly caused by using talcum powder. The [St. Louis Post-Dispatch](#) covered the lawsuit and also wrote about talcum powder and cancer risk. Dr. Toriola was also part of a live [podcast discussion at the University of Pennsylvania](#) regarding the association between talcum powder, ovarian cancer risk, and the pending lawsuits. 3) [Ying Liu, MD, PhD](#), was featured in [Oncology Nurse Advisor](#) about her recent findings linking delayed radiation therapy in DCIS to higher recurrence rates in some women. 4) [Ross Brownson, PhD](#), was featured in a recent [PBS NewsHour](#) story reporting each state's top cause of death. PBS created an interactive map showcasing that data. 5) [Adetunji Toriola, MD, PhD](#), was also interviewed by the [St. Louis Post-Dispatch](#) about possible cancer clusters in the Coldwater Creek area in St. Louis. 6) [Graham Colditz, MD, DrPH](#) and [Siobhan Sutcliffe, PhD](#), were highlighted in May's JAMA Oncology editorial (featured above), which discussed the continuing prevention message that cancer is preventable. Read some of the news coverage: [JAMA release](#), [Reuters](#), [Washington Post](#), [Vox](#), [CBS News](#), and [NBC News](#). 7) [Graham Colditz, MD, DrPH](#), also published an [editorial in The Lancet](#) that discussed the role of universal health coverage and its impact on reducing cancer disparities. Read some of the international news coverage: [The Independent](#), [HealthDay](#), [CBS News](#), and [Australian Broadcasting Corporation](#).
