2017 Cross-Sectional Survey

1. Please select your name.

2. Institution

3. What was your position when you attended CRTI?
   a. (1) Fellow
   b. (2) Faculty
   c. (3) Other

3a. If other, please describe your position when you attended CRTI.

4. What is your gender?
   a. (0) Female
   b. (1) Male

5. What is your racial background?
   a. (1) Black or African American
   b. (2) American Indian/Alaska Native
   c. (3) White
   d. (4) Asian
   e. (5) Native-Hawaiian/Other Pacific Islander
   f. (6) Other

5a. If other, please describe your racial background.

6. What is your ethnic background?
   a. (0) Non-Hispanic
   b. (1) Hispanic

7. Do you have any disabilities? Defined as those with a physical or mental impairment that substantially limits one or more major life activities?
   a. (1) Yes
   b. (0) No

7a. If yes, please describe.

8. Since January 1, 2014 (last 3 years), have you been promoted?
   a. (1) Yes
   b. (0) No

8a. Academic Promotion
   a. (1) Yes
   b. (0) No
8b. Section Head
   a. (1) Yes
   b. (0) No

8c. Division Chief
   a. (1) Yes
   b. (0) No

8d. Department Chair
   a. (1) Yes
   b. (0) No

8e. Other leadership position
   a. (1) Yes
   b. (0) No

8f. Please describe your other leadership position.

9. Since January 1, 2014, did you earn an additional advanced degree relevant to clinical research?
   a. (1) Yes
   b. (0) No

9a. If yes, please describe your additional advance degree relevant to clinical research.

10. Are you currently involved in clinical research?
    a. (1) Yes
    b. (0) No

If yes, indicate what roles you are involved with.
10a. Overall PI or Study Chair of a single center clinical research study
    a. (1) Yes
    b. (0) No

10b. Overall PI or Study Chair of a multi-center clinical research study
    a. (1) Yes
    b. (0) No

10c. Co-Investigator for a single center clinical research study
    a. (1) Yes
    b. (0) No

10d. Co-Investigator for a multi-center clinical research study
    c. (1) Yes
    d. (0) No

10e. Institutional PI for a multi-center study in which you are not the overall PI/Study Chair
    a. (1) Yes
    b. (0) No
10f. Grant reviewer
   a. (1) Yes
   b. (0) No

10g. Journal reviewer
   a. (1) Yes
   b. (0) No

10h. Other
   a. (1) Yes
   b. (0) No

10i. Please describe what other clinical research role you are involved in.

11. Please indicate the ways the CRTI facilitated any ongoing currently collaborative relationships for you.

11a. With a CRTI faculty member (from your year or another year)
   a. (1) Yes
   b. (0) No

11b. With a CRTI trainee (from your year or another year)
   a. (1) Yes
   b. (0) No

11c. With another collaborator who did not attend CRTI
   a. (1) Yes
   b. (0) No

12. Since January 1, 2014, please indicate the number of new research protocols arising from a CRTI-related collaboration or experience.

13. Since January 1, 2014, please indicate the number of manuscripts arising from a CRTI-related collaboration or experience.

14. Since January 1, 2014, please indicate the number of submitted grants arising from a CRTI-related collaboration or experience.

15. Since January 1, 2014, please indicate any other important or particularly notable products arising from CRTI-related collaborations.

16. In what setting your current career (select one):
   a. (1) Academic
   b. (2) Government agency
   c. (3) Industry
   d. (4) Private practice
   e. (5) Other
16a. If other, please describe your current career setting.

17. Please indicate percent effort in each activity area (must equal 100%):
   a. Research
   b. Education
   c. Patient Care
   d. Administration
   e. Other
   f. Total (Must equal 100%)

18. Indicate what type of hematology research are you currently pursuing:
18a. Red blood cell
   a. (1) Yes
   b. (0) No

18b. Lymphoid malignancies
   a. (1) Yes
   b. (0) No

18c. Leukocytes, inflammation, immunology
   a. (1) Yes
   b. (0) No

18d. Lymphocyte biology
   a. (1) Yes
   b. (0) No

18e. Hemostasis, thrombosis, vascular biology
   a. (1) Yes
   b. (0) No

18f. Hematopoietic cell transplantation
   a. (1) Yes
   b. (0) No

18g. Transfusion
   a. (1) Yes
   b. (0) No

18h. Gene therapy
   a. (1) Yes
   b. (0) No

18i. Hematopoiesis
   a. (1) Yes
   b. (0) No

18j. Health services research
18k. Myeloid malignancies
   a. (1) Yes
   b. (0) No

18l. Not conducting hematology-related research
   a. (1) Yes
   b. (0) No

18m. Other
   a. (1) Yes
   b. (0) No

18n. If other, please describe what type of hematology research you are currently pursuing.

19. Since January 1, 2014 have you taught in courses, lectured on, or otherwise made presentations regarding conduct of clinical research?
   a. (1) Yes
   b. (0) No

19a. If yes, please describe your courses taught, lectured on, or otherwise made presentations regarding the conduct of clinical research.

20. Participating in the CRTI was instrumental in retaining me in the field of hematology research:
   a. (1) Strongly Disagree
   b. (2) Disagree
   c. (3) Neutral
   d. (4) Agree
   e. (5) Strongly Agree

21. The CRTI facilitated my career development as an independent researcher:
   a. (1) Strongly Disagree
   b. (2) Disagree
   c. (3) Neutral
   d. (4) Agree
   e. (5) Strongly Agree

22. Are you in contact with your CRTI mentor?
   a. (1) N/A (I did CRTI before the mentor-ship program)
   b. (2) No
   c. (3) Yes

22a. If yes, please describe the contact you have with your CRTI mentor.

23. Please indicate your marital status:
a. (1) Married  
b. (2) Living with partner  
c. (3) Divorced  
d. (4) Single

23a. If married or living with partner, what is his/her employment status? (choose the best answer which matches your situation):
   a. (1) Does not work  
b. (2) Works full time from home  
c. (3) Works part time from home  
d. (4) Works full time outside of home  
e. (5) Works part time outside of home

24. Since January 1, 2014, have you had child or caregiving responsibilities (as defined by providing care to an adult family member needing assistance)?
   a. (1) Yes  
b. (2) No

24a. If you had child or caregiving responsibilities, to what degree do you believe that caring for a child/children or other caregiver responsibilities impacted on your academic productivity?
   a. (1) Strongly Disagree  
b. (2) Disagree  
c. (3) Neutral  
d. (4) Agree  
e. (5) Strongly Agree

25. Please upload your CV.
