

COVID-19 Supplementary Questionnaire

Please answer the following questions about how much the coronavirus pandemic has impacted your life. Choose the response that best describes your situation.

Have you been diagnosed with coronavirus (COVID-19)?

Yes
No

Have you been social distancing (e.g. staying at least 6 feet away from people, not gathering in groups, avoiding crowded places and avoiding mass gatherings) because of the coronavirus (COVID-19)?

Yes
No

Have you increased your alcohol [including beer, wine, or liquor] or drug use since January 2020 (before the coronavirus pandemic began)?

Yes
No
